

Shipping Instruction

*****Important Notes

Invoice MUST be scanned to thapgsc@mmm.com for payment process and do contact Buyer (as stated on the PO) for any PO or payment inquiry.

Kindly note that payment is based on payment term and upon receipt of soft copy invoices.
For large files, please zip and keep to file size of 4 MB for each email. Invoice Hardcopy is NOT required.

Vendors must acknowledge the Quantity, Price and Due date stated in the PO within 48hr upon receipt of 3M PO.

1. 3M's receiving time is:

LKB Warehouse – 0800 hours – 1130 hours and 1230 hours – 1500 hours, Monday to Friday. Closed on Saturday & Sunday and Public Holiday.

LLK Warehouse - 0830hours – 1500 hours, Monday to Friday. Closed on Saturday, Sunday and Public Holiday.

Phintong Warehouse – 0830 hours – 1130 hours and 1300 hours -1500 hours, Monday to Friday. Closed on Saturday, Sunday and Public Holiday.

Distribution Center – DKSH location 8.00 hours – 1500 hours, Monday to Friday. Closed on Saturday, Sunday and Public Holiday.

Distribution Center – DHL location 8.00 hours – 1500 hours, Monday to Saturday. Closed on Sunday and Public Holiday.

All deliveries must go to the Warehouse Department of the 3M location specified in the Purchase order.

2. Vendors have to reserve slot time before delivery and provide Advance Shipment Notice (ASN) to Warehouse Department of the DHL & DKSH at least 1 day before delivery. Vendors to transmit Advance Shipment Notice (ASN) to Warehouse Department of the 3M location 1 week before delivery

3. Vendors are to present DELIVERY ORDER/PACKING LIST/ORIGINAL INVOICE upon delivery and indicate all of the following information. Each invoice should correspond to only one Purchase Order

- 3M Stock number
- Product/Services description as shown on the Purchase order.
- 3M PO number
- Quantities
- Unit of Measure
- Unit Price
- Total Amount
- Lot number, MFG date, Expiry date and its respective quantity per Pallet where applicable on the Packing List
- Country of Origin

4. All materials delivered to 3M must comply to the following criteria. Non-conformance with these criteria may lead to delivery rejects.

- All external packaging must be clean.
There must not be visible dust or particles on the surface. Should there be any unacceptable level of cleanliness received, the delivery person shall perform necessary cleaning
- All external packaging must be stain-free
- All external packaging must be dry
- Need to ensure the cargos are packed as per agreed quantity and size.
- Need to ensure the pallets are in good condition
- Need to ensure the materials are safely secured on the pallet (with strap / shrink wrap)

5. Vendors must indicate following information on physical packaging label which is to be on individual packing such as boxes, bags, drums or carboys.

- 3M stock number with <Bar Code>
- Product description as printed on the purchase orders.
- Quantity per packing in the same unit of measurement as printed on purchase order.
- Indicate lot number <Bar Code> and date of manufacturing, date of expiry where applicable.
- Indicate number of case per layer and number layer per pallet incase of product shipped in full pallet.

6. Vendor shall ensure all chemical containers are labeled strictly in accordance with applicable laws and regulations, including but not limited to relevant 3M Singapore Standards such as SS286 Parts 1, 2 and 5, and with the following information:

- Name and address of chemical manufacturer
- Chemical name
- Appropriate hazard warnings - any words, pictures, and / or symbols that describe the hazard(s) of the chemicals. "Hazard Warning" means a word or statement that conveys the hazard of the chemical and is intended to include the target organ effects - such as "carcinogen", "eye irritant", or "lung sensitization". Phrases such as "caution", "danger", or "harmful if inhaled" are not adequate because these are precautionary statements, not hazard warnings.
- Updated softcopy of MSDS must be send to 3M

7. Certificate of Origin (COO) and Certificate of Analysis (COA) must accompany delivery where applicable.

- COO is required for your goods purchased from oversea vendors
- COA is required for all lots of chemical and other materials
- COA is required for only first lot of packaging materials

8. Vendors must label and segregate different lot numbers clearly.

9. Vendors are requested to prepare shrink wrap after do unloading their own and adhere to 3M Safety Standard.

10. Vendors are responsible to stage the materials at warehouse staging areas and hand over to 3M warehouse for receiving.

11. Vendors are requested to deliver promptly on the due date (not more than 2 days in advance) or to inform the respective Buyers immediately if vendors are unable to deliver the goods on the due date.

12. Vendors are requested to notify 3M of any changes that the vendors have made in the process, products, or services that they provide to 3M. A written approval from 3M is required prior to implementing the changes.

13. Failure to comply with items 1-12 will cause the delivery to be rejected.

14. Delivery of converted goods will be deemed as incomplete until all have been physically received and accepted by 3M. The converter will be liable for any loss and defects unless otherwise accepted by 3M as production loss.

15. Use below address to state on B/L or AWB and Certificate of Origin (COO).

It depends on who is the customer (view from PO).
