

# STILL SCRUBBING IT “OLD SCHOOL”?

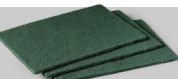

For over 50 years, Scotch-Brite™ Professional Scouring Pads have been the “go-to” solution for tough kitchen clean-up chores. But did you know that 3M is continually improving our Scotch-Brite technology, to bring you even more efficient and easy-to-use scouring products?

If you're still using the same Scotch-Brite pads as always, you should know that things have changed for the better. We invite you to check out our latest and greatest Scotch-Brite scouring innovations – and discover how much more time and elbow grease you could save!

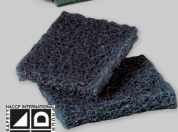

## IF YOU'VE BEEN USING ONE OF THESE

Scotch-Brite™ 96  
General Purpose  
Scouring Pad

Scotch-Brite™  
Extra Heavy Duty  
Pot 'n Pan Scour  
Pad 88

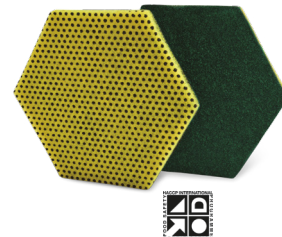

Scotch-Brite™  
Stainless Steel  
Scrubber 83

## TRY OUR NEW, IMPROVED SOLUTION

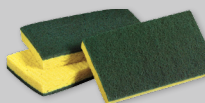

Step away from the sink sooner, with the **Scotch-Brite™ Dual Purpose Scour Pad 96HEX**.

Features a yellow raised “power dot” side that **cuts through baked on food 5X faster.\*** Use the smooth green side to scour away fine particles and grease. Ideal for pots, pans, appliances, utensils and more.

Item #:

Scotch-Brite™  
Medium Duty  
Scrubbing  
Sponge 74

Worried about surface scratches and bacteria accumulation?

The **Scotch-Brite™ Power Pad 3000** gives you two cleaning tools in one: a Power Pad side with **8X less abrasive** than the competition and an antimicrobial sponge side that resists odor causing bacteria.

Item #:

Scotch-Brite™  
Light Duty  
Cleansing  
Pad 98

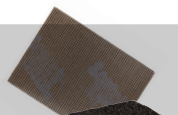

Clean tough messes with a gentle touch!

Our **Scotch-Brite™ Power Pad 2000** scours **7X faster** than other non-scratch pads, and at least **10X faster** than competitive medium-duty scouring pads. Ideal for stainless steel equipment and appliances.
