Change and Deactivation of SKUs Notice: SKU and Status Changes to 3M™ D Sub Plug, 8200 Series and 3M™ D Sub Socket, 8300 Series, Closed Cover Versions

To Our 3M Authorized Distributors,

As 3M transitions to our new enterprise resource planning (ERP) system, it has become necessary to make changes to the Closed Cover D-Sub Connectors SKUs. Additionally, 3M has made the decision to deactivate a number of related D Sub SKUs due to low historical sales.

What is being changed?

1. The 3M SKUs associated with each of the following products will be changed. The product will continue to be offered, but now with a new 3M SKU. See the following table of the product affected by these SKU changes.

What actions and impact will this change have on purchase orders?

1. Existing orders will be fulfilled with the current 3M SKU, while any new orders after September 1, 2018 will need to use the new 3M SKU.
2. Immediately upon this notification, no orders will be accepted for any of the Deactivated SKUs.

If one of these Deactivated SKUs or any other D-Sub configuration is desired and is not actively shown on 3M's price pages, please contact your 3M representative to determine if the specific configuration can be manufactured as a new business opportunity.

Included in this notice is also a spreadsheet D-Sub Portfolio Offering Update.xlsx that includes 3 tabs:

- All Active D-Sub SKUs – This Price Guide formatted worksheet includes all active 3M SKUs.
- Closed Cover D-Sub SKU Changes – This worksheet includes all of the SKUs migrating from the current SKU to the new SKU effective September 1, 2018.
- Deactivated D-Sub SKUs – This worksheet includes the SKUs that have been immediately deactivated.

What do I need to do?

Please update your listing of active 3M products to include the new 3M SKUs and remove all of the Deactivated SKUs.

Please act now to:

- Advise your sales and technical staff
- Update your website and systems as appropriate to include the new 3M SKU.
- Beginning September 1, 2018, all purchase orders will need to use the new 3M Closed Cover D-Sub SKUs.

If you have questions relating to this notice please contact your 3M representative who will be pleased to help you; or visit our website at 3M.com/Interconnect.

Thank you for your understanding and continued partnership with 3M.
