

**Ceradyne, Inc. (a 3M Company and “Buyer”)  
Purchase Order Supplemental Terms and Conditions FAR/DFARS  
Clause Flow-Downs in Fulfillment of  
U.S. Government No. N00173-18-P-1136  
17 August 2018**

The Federal Acquisition Regulations (FAR) and Defense FAR Supplement (DFARS) (“Flow Downs”) provisions are accessible at <https://www.acquisition.gov>. The Flow-Downs apply to this Order to the extent required by applicable Federal law and/or regulations or the language in the clauses, and have the same force and effect as if they were included in full text in the Order.

The following clauses are incorporated by reference and made a part hereof. The dates of these clauses are the dates in effect in the U.S. Government Prime Contract issued to Buyer. Unless specified otherwise, the term “Contractor” shall mean “Seller,” the term “Contract” shall mean “Order,” the term “Supplier” shall mean Seller’s Suppliers, and the term “Contracting Officer” shall remain Contracting Officer.

If the Order exceeds \$10,000, this Buyer and Seller shall abide by the requirements of 41 CFR 60-741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by covered prime contractors and Sellers to employ and advance in employment qualified individuals with disabilities.

If the contract exceeds \$100,000, this Buyer and shall abide by the requirements of 41 CFR 60-300.5(a). This regulation prohibits discrimination against qualified protected veterans, and requires affirmative action by covered prime contractors and Sellers to employ and advance in employment qualified protected veterans.

If so identified, this Order is a “rated order” certified for national defense use, and Seller shall follow all the requirements of the Defense Priorities and Allocation System Regulation (15 C.F.R. Part 700).

When applicable, Seller agrees to negotiate with Buyer to incorporate additional provisions herein or to change provisions as Buyer reasonably deems necessary to comply with the applicable Prime Contract, or with amendments or modifications to the applicable Prime Contract at no additional cost to Buyer.

Identification and Traceability is a requirement under this contract. The Seller shall maintain traceability records for all component parts. All component parts shall be traceable through the end item product. Component part information shall enable traceability to the raw materials used in the component part. Records shall be maintained and readily available for review and audit verification when requested

The Contract has identified this system as having a Critical Safety Item Designation
