

New 3M™ Tegaderm™ Silicone Foam Dressings

Where impressively  
strong meets  
amazingly gentle.

# Not all silicone foam dressings are created equal.

Featuring 3M's advanced adhesive technology, the 3M™ Tegaderm™ Silicone Foam Dressing will offer significantly longer wear time than the leading competitive silicone foam dressing<sup>1</sup>, whilst facilitating gentle and atraumatic dressing removal.

**Challenge:** Silicone foam dressings that lift and roll up in high-shear locations

**3M solution:** Thin, low-profile edge

**Challenge:** Silicone foam dressings that fall short (and fall off)

**3M solution:** Significantly longer wear time<sup>1</sup> plus gentle adhesion
