

# 3M™ Scott™ Weld-O-Vista Facepiece

## Respiratory Protection for Welders

Protection against welding fumes, gases, vapors and particulates

The Weld-O-Vista is a full facepiece design based on the 3M™ Scott™ AV-2000 full facepiece respirator with an clear lens and flip up welding filter holder that accommodates a standard 2" X 4 1/4" welding filter. The Weld-O-Vista facepiece is interchangeable with 3M Scott's NIOSH approved Self-Contained Breathing Apparatus (SCBA), Supplied Air Respirators (SAR) and negative pressure Air-Purifying Respirators (APR).

**Top-Down Convertibility**

### Product Highlights

- Approved with 3M Scott NIOSH respirators including SCBA, Supplied Air, and APR
- Range of APR cartridges, either twin 742 series or single 40mm series for respiratory protection across a wide range of hazards
- Incorporates a standard 2" x 4 1/4" welding filter (not included)
