Indoor/Outdoor Use

Our new Scotchgard™ Protective Films are designed to protect graphics, surfaces and windows from vandalism and damage. These products are easy to apply and clean without the use of harmful and abrasive chemicals.

Why waste time and money cleaning – or even *replacing* – expensive graphics and surfaces? Let us help you *prevent the damage in the first place* – by winning the fight against graffiti *before* it begins.

Scotchgard™ Graphic and Surface Protection Film

For protection of surfaces and graphics from graffiti, scratches and gouges.

- Gouge Resistant
Helps foil intentional attempts to gouge, destroy or deface graphics and surfaces.
- Graffiti Resistant
Reduces the adherence of graffiti, making it much easier to safely remove.
- Adhesive Resistant
Resists permanent adhesion of stickers or labels.
- Scratch Resistant
Resists scratching and other abrasion caused by general traffic and use.
- Indoor/Outdoor Use
May be applied to either interior or exterior locations.

Scotchgard™ Anti-Graffiti Window Film

For protection of glass from scratches and graffiti.

- Gouge Resistant
Helps foil intentional attempts to gouge, destroy or deface graphics and surfaces.
- Acid-etch Resistant
Helps protect glass from permanent damage caused by glass etching solutions.
- Scratch Resistant
Resists scratching and other abrasion caused by sharp objects or devices.
- Clean Removability
Adheres clearly and firmly to glass, but can be removed leaving little or no residue.
- Pre-Cut Solutions
May be pre-cut to your specific window size by 3M.
- Indoor/Outdoor Use
May be applied to either interior or exterior locations.
