3M™ Tegaderm™ Alginate Ag Silver Dressings

3M™ Tegaderm™ Alginate Ag Silver Dressings provide the antimicrobial silver, soft-gelling absorbency and fiber strength needed to manage critically colonized wounds and wounds at increased risk of infection.

*Caution: Federal law (U.S.A.) restricts the device to sale by or on the order of a licensed health care professional.
3M™ Tegaderm™ Alginate Ag Silver Dressings*

Key benefits
- Easy, one-piece removal
- Soft-gelling absorbency that conforms to the wound and is soft and pliable
- Ensures a moist environment for optimal wound healing
- Antimicrobial effectiveness against a broad spectrum of pathogens, including MRSA and VRE

Suggested applications
- Pressure, arterial, neuropathic (diabetic) or venous leg ulcers
- Post-operative wounds
- Trauma wounds, including dermal lesions or incisions
- Graft and donor sites
- Superficial and partial-thickness burns

*Caution: Federal law (U.S.A.) restricts the device to sale by or on the order of a licensed health care professional. HCPCS codes have been provided to assist you in the preparation of insurance claims. Please note, however, that the reimbursement information provided by 3M Health Care and its representatives is intended to provide general information relevant to coverage and coding for 3M products. Insurers’ reimbursement policies can vary and the use of the codes discussed here does not guarantee that an insurer will cover or pay at any particular level. Health care providers should exercise independent clinical judgment in choosing the codes which most accurately describe the products provided.
