

3M grouper applications

- Provide health plans with a complete, single source for Medicare and Medicaid state-specific grouping, editing and pricing for inpatient, outpatient and professional settings
- Offer complete Medicare and Medicaid provider-specific rate tables
- Are trusted by nearly 200 payers and 41 government agencies to provide accurate claims pricing

The 3M advantage

Maintaining rules, content and ongoing regulations can be overwhelming.

As an expert industry resource for coding and reimbursement, 3M Health Information Systems (3M) offers all the content you need to price claims quickly and accurately.

Success with Medicare and Medicaid pricing

3M offers all the content you need to price Medicare and Medicaid inpatient (or outpatient) claims. You can single-source groupers, edits, pricing logic and provider rate tables directly from us.

A customizable solution

3M allows you to customize our standard Medicare and Medicaid solutions to meet your business needs, including:

- Medicare Code Editor, Integrated Outpatient Code Editor, National Correct Coding Initiative, Medically Unlikely Edits, Medicare Local and National Coverage Determination/edits and an expansive suite of 3M proprietary edits, all of which can be turned on or off based on your business policies
- Customizable reimbursement calculations that allow you to apply a multiplier to the agency-defined calculation, or change the hospital and agency variables, weights, rates and fees used in the reimbursement calculations
- Payment Calculation Toolkits that allow you to design your own reimbursement calculations

A complete solution

If you are already licensing 3M grouping, editing and pricing solutions, but maintaining provider rate data and software configuration on your own, it's time to realize the benefits of the **3M Pricer Tables**:

- **Save time and effort**—reduce maintenance of pricer schedules
- **Take advantage of automatic updates**—improve timely availability of updated regulatory content
- **Don't help the competition**—minimize business with resellers who compete with your health plan
- **Let experts create and maintain your schedules**—avoid over- and under-payments
