

# 3M™ SCBA Wall Cabinet & Bracket

## Description

The 3M™ Scott Safety universal breathing apparatus cabinet (UBAC) and metal wall bracket can be used in combination or on their own.

The Wall Cabinet is manufactured from 3mm PVC reinforced with fibreglass and is easily secured to the wall with fixing screws (sold separately).

The wall cabinet comes complete with a click in clear dome plastic lid protecting the SCBA from dirt & dust and quickly removed ensuring the SCBA apparatus is always ready for use.

The metal quick release wall bracket simply allows the breathing apparatus to hang on the bracket. This wall bracket can also be installed inside the wall cabinet if preferred.

## Maintenance & Cleaning

Cleaning should only be carried out as specified in the user instructions. Avoid exposure to solvents.

## Storage

Recommend to store in a clean dry environment away from direct heat and sunlight. Storage temperature should not exceed -10°C to +40°C.

## Disposal

Decontaminated equipment and accessories should be dismantled and disposed of as solid waste. Please see local authority regulations for disposal advice and locations.
