3M™ Scott™ AV-3000 HT Facemask

Description

The AV-3000 HT is a high performance facemask, manufactured using innovative materials which have been engineered to provide enhanced thermal durability and improved wearer safety in the most extreme conditions.

The face seal utilises proven SureSeal technology for maximum comfort, the dual seal provides a secure fit, the Kevlar® head harness reduces discomfort under helmets and the large visor provides excellent vision.

Dual speech diaphragms offer voice transmission around the wearer, with optional right or left Epic Communications bracket for maximum versatility.

Product highlights

- ▶ Approved to EN 136 Class 3, * BS 8468-1 and BS 8468-2
- ▶ High performance lens and bezel for improved thermal performance
- ▶ High temperature visor
- ▶ Right or left Epic Communications bracket for maximum user choice
