

Scotch® Clean Removal Strapping Tape 8899HP

Product Data Sheet

November 2018
Supersedes: NEW

Product Description

Scotch® Clean Removal Strapping Tape 8899HP is a high-performance tape with a tensilized polypropylene film backing and pressure-sensitive adhesive.

The backing provides proper stiffness for manual or semi-automatic dispensing of short to long lengths of tape.

Key Features

- The balanced product construction is easy to dispense with a Scotch® Filament Tape Hand Dispenser H-10 and the Scotch® Definite Length Dispenser M-82.
- The pressure-sensitive adhesive is specifically formulated to provide balanced adhesion, clean removal, and stain resistance on surfaces such as painted metals, plastic, and glass.

Note:

It is recommended that appropriate tests be conducted on the specific surfaces the tape will be adhered to in order to determine the strapping tape's suitability for the intended application.

Physical Properties

Backing Colour	Blue, White
Total Tape Thickness ASTM D3652	0.122 mm 115 µm
Backing	Tensilized Polypropylene
Adhesive	High performance pressure-sensitive rubber

Performance Characteristics

Peel Adhesion to Stainless Steel ASTM D3330	49 N/100 mm
Tensile Strength ASTM D-3759	2802 N/100 mm
Elongation at Break ASTM D-3759	30 %

Application Ideas

- The tape is designed to secure painted metals, metal, plastic, and glass parts and components in place during manufacture and shipment across a variety of industries including appliance, electronics, metal working and packaging.
- Securing: trays, racks, doors, glass plates, holding shelves, and power cords in place during shipping.
- Attachment of small parts, poly bag information sheets, foam and corrugated board.
- Light weight coil tabbing, splicing, bundling and wrapping.

Storage & Shelf Life

Store at 4°C - 25 °C and 40-50 % relative humidity in its original box. Rotate your stock.

The product can be stored up to 18 months after production.

Precautionary Information

Refer to product label and Material Safety Data Sheet for health and safety information before using the product.
