**Style.  
Comfort.  
Performance.**

Get the job done in style with the  
large-profile 3M™ GoggleGear™  
6000 Series.

3M™ GoggleGear™ 6000 Series

# Large profile, big performance.

## 3M™ GoggleGear™ 6000 Series

With models featuring 3M™ Scotchgard™ Anti-Fog/Anti-Scratch Coating, the 3M™ GoggleGear™ Safety Goggles 6000 Series is a large-profile goggle design that provides better fog and abrasion resistance when compared to traditional anti-fog coatings. All models are designed with indirect venting to help reduce fogging. Both adjustable nylon fibre cloth straps and neoprene straps are available to suit your comfort and style.

When you're going for performance, go with 3M™ GoggleGear™ 6000 Series.

# Find your style.

Available in a variety of colourful styles.

## IMPORTANT NOTICE

The use of the 3M product described within this document assumes that the user has previous experience of this type of product and that it will be used by a competent professional. Before any use of this product it is recommended to complete some trials to validate the performance of the product within its expected application.

All information and specification details contained within this document are inherent to this specific 3M product and would not be applied to other products or environment. Any action or usage of this product made in violation of this document is at the risk of the user.

Compliance to the information and specification relative to the 3M product contained within this document does not exempt the user from compliance with additional guidelines (safety rules, procedures). Compliance to operational requirements especially in respect to the environment and usage of tools with this product must be observed. The 3M group (which cannot verify or control those elements) would not be held responsible for the consequences of any violation of these rules which remain external to its decision and control.

Warranty conditions for 3M products are determined with the sales contract documents and with the mandatory and applicable clause, excluding any other warranty or compensation.

For more information on 3M products and services please contact 3M.
