## Product Description

The Scotch-Brite™ Squeegee Replacement Blade 411 is a heat resistant rubber blade. It is the replacement blade for the Scotch-Brite™ Squeegee 410, which is an integral part of the Scotch-Brite™ Quick Clean Griddle Cleaning System.

## Special Features

- Sturdy and heat resistant to allow for cleaning griddle

## Applications

Use to replace a worn-out blade of the Scotch-Brite™ Squeegee 410.

## General Use Directions

A flathead screw driver and a small wrench would be needed to replace the worn-out squeegee blade.

To replace worn-out squeegee blade:

1. Loosen the two screws on the squeegee head that holds the blade (just enough to pull the blade out) by using the flathead screw driver and a small wrench.
2. Remove the worn-out squeegee blade by pulling it out.
3. Insert a new squeegee blade and tighten up the two screws

## Cleaning Instructions

Squeegee blade can be rinsed with warm or hot water or soaked in a cleaning solution to dissolve caked-on soil and grease.

Worn-out squeegee blade can be disposed of in regular kitchen trash.

## Product Specifications

(Typical Values)

<b>Blade</b>	7.75 in.
<b>Color</b>	Black

## Precautionary Summary

Not applicable

## Health and Safety

### CAUTION

When handling any chemical products, read the manufacturers' container labels and the Safety Data Sheets (SDS) for important health, safety and environmental information. To obtain SDS sheets for 3M products go to [3M.com/SDS](https://www.3m.com/SDS), or by mail or in case of an emergency, call 1-888-364-3577 or 1-651-737-6501.

When using any equipment, always follow the manufacturers' instructions for safe operation.

## Technical Information

Technical information and data, recommendations, and other statements provided by 3M are based on information, tests, or experience which 3M believes to be reliable, but the accuracy or completeness of such information is not guaranteed. Such technical information and data are intended for persons with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. The typical values shown should not be used for the purpose of specification limits. If you have questions about this Product, contact the **Customer Service Department at 1-800-698-4595**.

## Product Use

Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Given the variety of factors that can affect the use and performance of a 3M product, user is solely responsible for evaluating the 3M product and determining whether it is fit for a particular purpose and suitable for user's method of application.

## Warranty

3M warrants that each 3M product will be free from defects in material and manufacture for 90 days from the date of purchase from 3M's authorized distributor. 3M MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

### Limited Remedy

If a 3M product does not conform to this warranty, the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

### No Extension of Warranty

In the case of an approved warranty claim, the replacement Product will carry only the remaining term of the original warranty period.

### Limitation of Liability

Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted.
