3M™ 55535 Finish Control Spray

1) Part Numbers

55535

2) Description and end uses

3M™ Finish Control Spray is the ideal product to check the progress in any finishing operation, particularly to see if micro scratches from previous sanding steps are as polished out as they should be.

It is specially designed and tested to be compatible with all cured refinish paint systems, leaving any surface clean and ready for inspection.

Particularly recommended to always use after the first compounding step.

Product highlights:

- Reliably removes any compound residue
- Reduces the risk of undetected micro scratches coming back
- Helps to achieve the perfect finish result
- Also suitable for a quick surface clean, leaving no streaks
