Precise weight. Precision balance.

3M™ Wheel Weights

Passing on precision balancing to your customers

Automotive manufacturers, tier balancers, and tire service centers around the world use 3M Wheel Weights to give their customers a balanced ride. Designed to be cut to weight to meet precision wheel balancing requirements, 3M Wheel Weights feature industry leading 3M™ Attachment Tape, which has been used for decades to securely attach a wide variety of trim accessory parts to millions of vehicles.

3M™ Wheel Weights – Benefits for distributors

Features	Benefits
Reduced cost of ownership	<p>Provided on a roll and designed to be cut to exact weight, giving customers the ability to use less material, and therefore throw away less waste.</p> <p>One or two profiles may be used for multiple wheel diameters, enables customers to reduce their inventory cost by eliminating traditional wheel weight inventories of individual part sizes.</p>
Precision balancing	<p>Cut to weight features gives technicians the ability to adjust the increment of material used to 1 gram, allowing for more precise balancing and a reduction of static and residual ride imbalance.</p>
OEM-approved, proven adhesion	<p>3M Automotive Attachment Tape has successfully attached millions of trim and accessory parts on vehicles for over 30 years.</p> <p>Approved and used by automotive OEM assembly plants and tier balancers.</p> <p>Eliminates damage and cracking of the clear coats caused by mechanical clips.</p> <p>Tape attachment helps prevent damage to wheel during weight installation and/or removal.</p>
Designed to have less impact on the environment than standard lead wheel weights	<p>Lead-free, corrosion-free composite designed to replace environmentally harmful lead wheel weights.</p> <p>Part may be placed in standard municipal waste stream, eliminating the need for special handling.</p>
Improved appearance through color and placement on wheels	<p>Lighter gray or black colored profiles are designed to blend with the wheel.</p> <p>The profile can be hidden behind the spokes of wheels.</p>
Corrosion-free design	<p>Eliminates corrosion of expensive wheels and will not stain wheels, helping keep wheels looking better longer.</p>

Technical Information: The technical information, guidance, and other statements contained in this document or otherwise provided by 3M are based upon records, tests, or experience that 3M believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license under any 3M or third party intellectual property rights is granted or implied with this information. **Product Selection and Use:** Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property. **Warranty, Limited Remedy, and Disclaimer:** Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price. **Limitation of Liability:** Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
