

Solutions scaled to fit your needs.

Auto-readers not shown true to size and scale.

Now available! The 3M™ Attest™ Mini Auto-reader.

3M™ Attest™ Auto-reader 490 and 3M™ Attest™ Mini Auto-reader 490M

Get results for both steam and vaporized hydrogen peroxide (VH2O2) in one reader in just 24 minutes.* 3M now offers dual auto-readers in two sizes to meet your facility's needs and budget.

Standardize across facilities

Two size options enable you to standardize practice across multiple facilities for efficiency and training ease.

Raise the standard of care

Help protect patients from the risk of infection with every load monitoring. With fast 24-minute BI results— it's possible.

Increase ease of use

Place any Attest 1491 or 1492V (for steam) or 1295 (for VH2O2) BI in any well of the reader at the same time.

Be connected

Connect with 3M product apps to get real time BI results and quickly integrate data into your facility's tracking system.

Innovation you can trust

3M is a leader in rapid self-contained BI technology for steam, vaporized hydrogen peroxide, and ethylene oxide.

850+
million
loads monitored

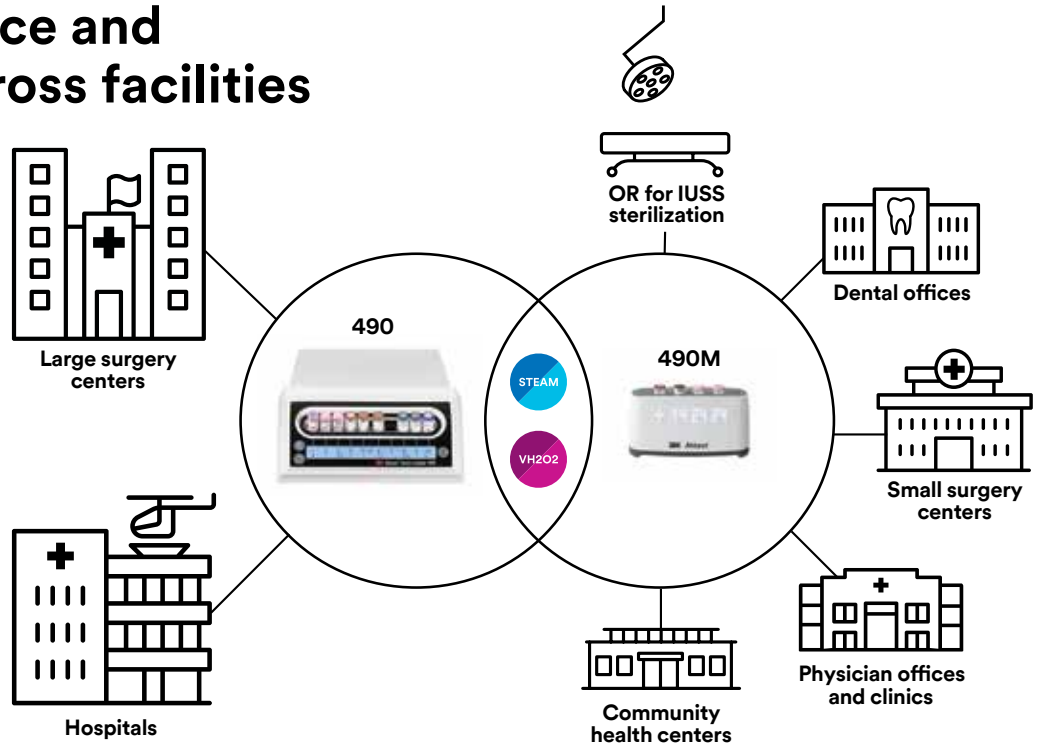

*When used with 3M™ Attest™ Auto-reader 490 or 490H with software version 4.2.7 or greater.

Maximizing space and affordability across facilities

With 3M™ Attest™ Auto-reader size options you can standardize practice across multiple facilities for efficiency and training ease.

Our dual auto-readers are compatible with the following 3M™ Attest™ biological indicators:*

- 1491 Steam
- 1492V Steam
- 1295 VH2O2

	Product	Description	Packaging	Shipping
STEAM	490	3M™ Attest™ Auto-reader 22.2(W) x 8.25(H) x 22.2(D) cm	1 unit/box	1 box/case
