- 0.5-gallon bottle - 4 bottles per case

Each 0.5-gallon bottle yields 192 ready-to-use gallons. (Dilution ratio 1:384)

3M™ Clean & Shine Daily Floor Enhancer Concentrate #35H

- 0.528-gallon bottle - 6 bottles per case

Each 0.528-gallon bottle yields 202.8 ready-to-use gallons. (Dilution ratio 1:384)

3M™ Clean & Shine Daily Floor Enhancer Dosing Bottle

- 32-ounce bottle - 6 bottles per case

Each 32-ounce bottle yields 96 ready-to-use gallons. (Dilution ratio 1:384)

Dilutes at 1 oz (dosing fill line) of chemical per 3 gallons of water

3M™ Clean & Shine Daily Floor Enhancer Bulk

- 2.5-gallon container - 2 containers per case

Each 2.5-gallon container yields 960 ready-to-use gallons. (Dilution ratio 1:384).

General Use Directions

Dispense 3M™ Clean & Shine Daily Floor Enhancer Concentrate #35A with cold water using the 3M™ Flow Control System Wall Mount Dispenser or the 3M™ Flow Control System Portable Dispenser into a buddy jug, 3M™ Easy Scrub Express System bottles, mop bucket or directly into an auto scrubber.

Dispense 3M™ Clean & Shine Daily Floor Enhancer #35H with cold water using the 3M™ Twist 'n Fill™ Cleaning Chemical Management System into a buddy jug, 3M™ Easy Scrub Express System bottles, mop bucket or directly into an auto scrubber.

Product Description

3M™ Clean & Shine Daily Floor Enhancer #35A is a concentrated product to be diluted and dispensed using the 3M™ Flow Control System Wall Mount Dispenser or the 3M™ Flow Control System Portable Dispenser. 3M™ Clean & Shine Daily Floor Enhancer Concentrate #35H is a concentrated product to be diluted and dispensed using the 3M™ Twist 'n Fill™ Cleaning Chemical Management System. Improper use or dilution may result in a decrease in product performance and may increase the risk of health effects. Ready-to-use Clean & Shine Daily Floor Enhancer cleaner is designed to clean hard flooring surfaces.

Daily use may repair surface scratching and improve visual appearance including cleanliness, gloss and distinctness of image (DOI) depending on floor type and condition. When used as part of the 3M™ Advanced Floor Care System in combination with the 3M™ Scotch-Brite™ Clean & Shine Pad and 3M™ Scotchgard™ Protect & Shine Floor Protector, burnishing may be reduced or eliminated.

Special Features

- Automatic dispensing eliminates measuring and mixing and ensures accurate dilutions
- Superior cleaning efficiency versus leading competitive resilient flooring cleaner & restorer products
- Repair scratches to enhance surface appearance
- EPA Safer Choice ingredient
- Low foaming
- Fragrance and preservative free
- When used as directed, will not dull or damage floor finishes
- No rinsing required

Dispense 3M™ Clean & Shine Daily Floor Enhancer Dosing Bottle from the side-fill cap at the proper dilution ratio after calculating the container volume of either a buddy jug, mop bucket or autoscrubber. Use with cold water.

1. Dust floors using 3M™ Easy Trap™ Duster.
2. Properly position caution signs for wet floor conditions.
3. Mop floor or scrub using an auto scrubber or floor machine with a 3M™ Scotch-Brite™ Clean & Shine Pad or another appropriate cleaning pad.

NOTE: For the Dosing and Bulk container, dilutes at 1 oz chemical per 3 gallons of water.

4. Pick up soiled solution with a wet vacuum or tightly wrung mop.
5. No rinsing required.
6. Allow floor to dry. Note: Floors may be slippery when wet.
7. Burnish immediately after cleaning (optional).

Personal Protective Equipment (PPE) Recommendation: Refer to SDS for specific PPE guidance.

Waste Disposal Method: Dispose of contents/container in accordance with applicable local/regional/national/international regulations. Rinse empty container with water and recycle (No.2 HDPE).

NOTE: Refer to product Safety Data Sheet for specific physical properties, health hazard, first aid and precautionary information.

- 41-9486-6 (Bulk and Dosing)
- 41-7245-8 (Ready-To-Use)
- 41-7052-8 (Chemical Management)

Health and Safety

CAUTION

When handling any chemical products, read the manufacturers' container labels and the Safety Data Sheets (SDS) for important health, safety and environmental information. To obtain SDS sheets for 3M products go to 3M.com/SDS, or by mail or in case of an emergency, call 1-888-364-3577 or 1-651-737-6501.

When using any equipment, always follow the manufacturers' instructions for safe operation.

Technical Information

Technical information and data, recommendations, and other statements provided by 3M are based on information, tests, or experience which 3M believes to be reliable, but the accuracy or completeness of such information is not guaranteed. Such technical

information and data are intended for persons with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. The typical values shown should not be used for the purpose of specification limits. If you have questions about this Product, contact the **Customer Service Department at 1-800-852-9722**.

Product Use

Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Given the variety of factors that can affect the use and performance of a 3M product, user is solely responsible for evaluating the 3M product and determining whether it is fit for a particular purpose and suitable for user's method of application.

Warranty

3M warrants that each 3M product will be free from defects in material and manufacture for 90 days from the date of purchase from 3M's authorized distributor. 3M MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Limited Remedy

If a 3M product does not conform to this warranty, the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

No Extension of Warranty

In the case of an approved warranty claim, the replacement Product will carry only the remaining term of the original warranty period.

Limitation of Liability

Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted.
