Final orders for the discontinued items will be accepted through October 1, 2020 or until current inventories are depleted. Please complete last time buy orders as soon as possible.

3M does not have a direct replacement product for discontinued blister packs. The end user will need to determine if any of the remaining products are suitable for their intended application.

For any questions regarding any of our 3M™ Bumpon™ Protective Products, please contact your local 3M Sales Representative.

Thank you for your continued support of 3M.

Sincerely,
