3M™ Endorsed Advanced Vehicle Graphic Training.

3M™ Endorsed Advanced Vehicle Graphic Training incorporates all the knowledge you need to become an expert in vehicle wrap installations. By taking this two-day course you have a good opportunity to differentiate yourself from the competition and showcase and prove your knowledge.

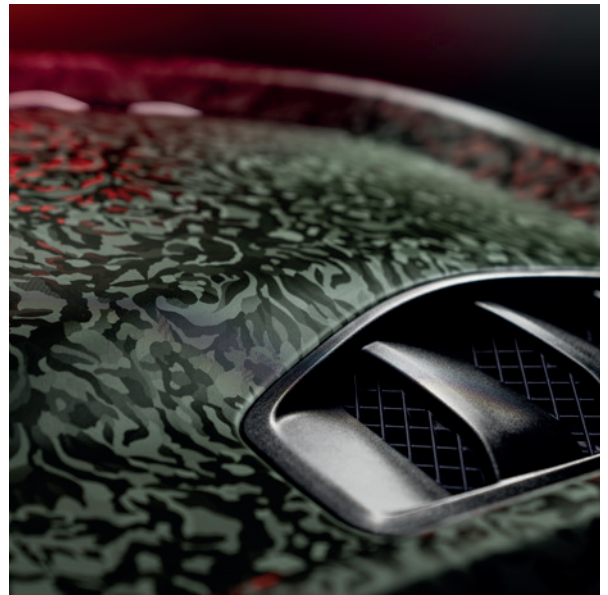

3M™ Endorsed Advanced Vehicle Graphic Training is part of the 3M Endorsed training programme supported by a certified trainer and a certified vehicle wrap professional. The training is arranged in a 3M Endorsed training facility that is built specifically to support Endorsed Vehicle Wrap training.

3M™ Endorsed Professional Vehicle Graphic Training.

This training is intended for installers with a minimum three-year experience and a solid knowledge in vehicle wrap installations. Installer is required to have previously attended Endorsed Advanced Vehicle Graphic Training.

Key benefits of becoming a 3M Endorsed Professional Vehicle Graphic Installer:

- ▶ The right to use the designated emblems on your websites, social media etc. to be associated with the 3M brand
- ▶ Special communication events and programmes dedicated to our certified installers' network
- ▶ The 3M Endorsed programme is actively promoted via 3M marketing activities to the end-users
- ▶ The 3M partners installation skills are recognised fully in the marketplace and it adds value to get the 3M Endorsed certificate
