Bring the shine back to your automotive glass.

3M™ Glass Cleaner is an aerosol cleaner for all glass surfaces including windows, windshields, mirrors, and side glass. May also be used to clean automotive vinyl, interior plastic and clear plastic. Its "no-drip" foaming action clings to vertical surfaces, leaves a streak-free shine and will not affect painted surfaces. Also, great for cleanup before a repair and after.

- Easy to use, quick acting, non-streaking aerosol.
- Excellent for cleaning glass, this product is also effective for use on plastic, chrome or metal.
- Safe, non-flammable formula.
