

# Attachment Solutions for Partitioning

You want customers and employees to stay as safe as possible, but certain areas such as checkout registers don't work well at a social distance.

When you're adding partitions to help provide a closer form of separation, consider our reclosable fastener options such as 3M™ Dual Lock™ Reclosable Fastener SJ3550CF and SJ3560.

The mushroom shaped interlocking heads provide up to 5x the strength of typical hook-and-loop tape yet are still separable if you need to replace a partition or remove it for cleaning. When it's time to put them together, you can feel the mated sides snap together. The strips and interlocking heads are resistant to most disinfectants and sterilizing cleaners without affecting holding strength.

## 3M™ Dual Lock™ Reclosable Fasteners

- Help to quickly attach plastic shields at registers
- Reclosable nature allows easy removal for cleaning or replacement
- Extra-strong adhesive provides reliable holding strength

These 3M™ Dual Lock™ Reclosable Fastener products have acrylic adhesive and are 1" x 50YD (25.4mm x 45.7M).

	Product	Color	SAP No.	Stock No.
	SJ3550CF	Black	7010382547	70-0707-4238-5
	SJ3560	Clear	7000001960	70-0704-2838-1

Other adhesives and sizes are available—see [3M.com/duallock](http://3M.com/duallock)

**Product Selection and Use:** Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property. **Warranty, Limited Remedy, and Disclaimer:** Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price. **Limitation of Liability:** Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
