Product Description

The Scotch-Brite™ Stainless Steel Hood Degreaser Wipes with Scotchgard™ Protector are ready-to-use, pre-moistened, disposable wipes designed for simple and convenient degreasing and protection of stainless steel hoods while eliminating the risk of overspray. They are ideal for cleaning stainless steel hoods in commercial kitchens.

Special Features

- A strong, effective degreaser for stainless steel hoods
- Ready to use, pre-moistened, durable wipes
- Scotchgard™ Protector leaves a protective layer on stainless steel hoods, helping reduce degreasing time and effort with each successive use.
- Scotchgard™ Protector is also effective on mild steel and anodized aluminum hoods.
- Rinse free usage, eliminating a cleaning step.
- NSF A7 Registered: Deemed suitable for use on non-food contact stainless steel hoods in and around food processing areas.
- HACCP International Certified: Third party certified as suitable for use in food handling facilities that operate in accordance with a HACCP based food safety program (Food zone classification: SSZ-Splash or Spill Zone)

Applications

Use on stainless steel hoods in commercial kitchens.

Product Specifications

Specification	Value
Shape	Rectangular
Length	12 in. (30.5 cm)
Width	9 in. (22.9 cm)
Color	White
Composition	Non-woven Rayon and PET fibers
Shelf Life	Two years from the date of manufacture

General use Directions

NOTE: For initial degreasing and optimum surface protection and wipe performance 3M recommends using the wipes and a Scotch-Brite™ scouring pad (if needed) to remove any burnt-on grease and stubborn soil.

1. Clean the stainless steel hood with a fresh wipe.
2. Use a dry towel to remove any excess residue from the surface, if needed.
3. Repeat Steps 1 and 2 as necessary until the grease is removed and the stainless steel hood is clean.
4. Dispose of used wipes in the trash. Do NOT reuse wipes.
5. Repeat Steps 1-4 regularly for best results.

Storage

Scotch-Brite™ Stainless Steel Hood Degreaser Wipes with Scotchgard™ Protector can be stored at normal room temperatures. Reseal the peel back lid securely to prevent wipes from drying out during storage.

Precautionary Summary

IMPORTANT NOTE

The wipes and cleaning solution are NOT intended for use on direct food contact surfaces.

Health and Safety

CAUTION

When handling any chemical products, read the manufacturers' container labels and the safety data sheets (SDS) for important health, safety, and environmental information. To obtain SDS for 3M products go to [3M.com/SDS](https://www.3m.com/SDS). To request SDS by mail, or in case of an urgent situation, call 1-800-364-3577 or 1-651-737-6501.

When using any equipment, always follow the manufacturer's instructions for safe operation.

Warranty Information

Technical Information

Technical information, guidance, and other statements provided by 3M are based upon records, tests, or experience that 3M believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license to any intellectual property rights is granted or implied with respect to this technical information.

Product Selection and Use

Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment, reviewing all applicable regulations and standards, and reviewing the product label and use instructions. Failure to properly evaluate, select, and use a 3M product in accordance with instructions or to meet all applicable safety regulations may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer

Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability

Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
