Product Description

The Scotch-Brite™ Stainless Steel Hood Degreaser Wipes with Scotchgard™ Protector are ready-to-use, pre-moistened disposable wipes with degreaser and Scotchgard™ Protector. The wipes are designed to be simple and convenient to degrease and protect stainless steel hoods and eliminate the risk of overspray. It is ideal for cleaning stainless steel hoods in commercial kitchens.

Special Features

- A strong, effective degreaser for stainless steel hoods.
- Ready to use, pre-moistened, durable wipe.
- Scotchgard™ Protector leaves behind a protective layer on stainless steel hoods, helping to reduce degreasing time and effort with each successive use.
- Scotchgard™ Protector will also be effective on mild steel and anodized aluminum hoods.
- Rinse free-no need to rinse after using, reducing a cleaning step.
- NSF A7 Registered-deemed suitable for use on non-food contact stainless steel hoods in and around food processing areas.
- HACCP International Certified-third party certified as suitable for use in food handling facilities that operate in accordance with a HACCP based food safety program (Food zone classification: SSZ-Splash or Spill Zone)

Applications

Use on stainless steel hoods in commercial kitchens.

Product Specifications

Shape	Rectangular
Length	12 in. (305 mm)
Width	9 in. (229 mm)
Color	White
Compositions	Non-woven Rayon and PET fibers

General Use Directions

NOTE: For initial degreasing and optimum surface protection and performance of the wipes, it is recommended to use the wipes, and if needed, a Scotch-Brite™ scouring pad to remove any burnt-on grease and stubborn soil.

1. Clean the stainless steel hood with a fresh wipe. If needed, use a dry towel to remove any excess residue from the surface.
2. Repeat as necessary until the grease is removed and the stainless steel hood is clean.
3. Dispose of used wipes in trash. Do not reuse wipes.
4. Repeat steps 1-3 regularly for best results.

Scotch-Brite™ Stainless Steel Hood Degreaser Wipes with Scotchgard™ Protector can be stored at normal room temperature. Reseal the peel back lid securely to prevent wipes from drying out during storage.

Precautionary Summary

IMPORTANT NOTE

WIPES AND CLEANING SOLUTION ARE NOT INTENDED FOR USE ON DIRECT FOOD CONTACT SURFACES.

Health and Safety

CAUTION

When handling any chemical products, read the manufacturers' container labels and the Safety Data Sheets (SDS) for important health, safety and environmental information. To obtain SDS sheets for 3M products go to [3M.com/SDS](https://www.3m.com/SDS), or by mail or in case of an emergency, call 1-888-364-3577 or 1-651-737-6501.

When using any equipment, always follow the manufacturers' instructions for safe operation.

Technical Information: The technical information, guidance, and other statements contained in this document or otherwise provided by 3M are based upon records, tests, or experience that 3M believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license under any 3M or third-party intellectual property rights is granted or implied with this information.

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer: Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
