

Conquer burnout with 3M M*Modal

Spotlight on Craig Summers, M.D., FAAP, founder and managing partner of Children's Medical Group in Hamden, Conn.

Dr. Summers beats burnout with 3M M*Modal technology

**Communicating
patient notes faster**

150-160

words per minute

**Completing
notes faster**

3-4 times

more quickly than
partners still typing

**Closing
encounters faster**

30%

faster closure rate

"I almost never take anything home," said Dr. Summers.

"I clearly have more free time. There is no question that the concept of burnout is real. There's no question that this improves your time spent and opens you up to more opportunity," said Dr. Summers.
