

3M Science.
Applied to Life.™

Reliable combination of performance and value.

Introducing 3M™ Cushion-Mount™ B-Series Plate Mounting Tape

At 3M we understand the craftsmanship required to produce each print run — and we're committed to providing the right solution for every job. That's why we expanded our 3M Plate Mounting Tape line with the B-Series to provide a more flexible option to meet the price-conscious challenges of short runs and frequent change overs. So for every print job, you can get the same high quality print you've come to expect from 3M with the value you want — all in one portfolio.

Where science meets craft.

3M™ Cushion-Mount™ B-Series Plate Mounting Tape

We recognize some print jobs won't require enhanced special features for the plate mounting tape. The 3M™ Cushion-Mount™ B-Series Plate Mounting Tape is a more flexible option to meet your basic print needs.

B-Series delivers the same tight tolerances and bubble free technology as our entire portfolio — helping to reduce defects, re-work and waste.

Optimal

Meets challenges of short runs and frequent change overs.

Consistent

Tight tolerances and dependable adhesive performance.

Productive

Long roll lengths equals less roll handling, less inventory and less packaging.

3M™ Cushion-Mount™ Plate Mounting Tapes

	Pro-Series	L-Series	E-Series	H-Series	B-Series
+ Highest productivity + Easy tape removal from sleeves + Tape can be repositioned	✓

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property. **Warranty, Limited Remedy, and Disclaimer:** Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price. **Limitation of Liability:** Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
