3M Science. Applied to Life.™

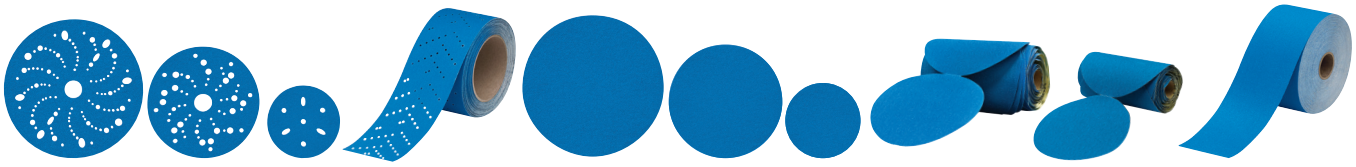

3M™ Blue Abrasive 321U Discs & Sheet Rolls

The abrasives that redefined value, now available for the industrial market.

3M™ Blue Abrasives 321U are the do-it-all discs for your sanding operations.

3M's engineered ceramic mineral blend delivers best-in-class cut and life. An anti-loading design and the available universal multi-hole pattern extend the life of the abrasive for performance and help create a clean work surface. A full line of discs and sheets is available in an array of sizes and grades for use across most the common industrial substrates and applications. If you need a disc to get you from stock removal to the paint booth, 3M™ Blue Abrasives have you covered.
