Discontinuation Notice: 3M™ Electrically Conductive Single-Sided Tape EC-1203

To Our Valued Customers:

This letter is to inform you that 3M™ Electrically Conductive Single-Sided Tape EC-1203 will be discontinued. This product will be available through January 1, 2022, or until inventory is depleted. Please complete last time buy orders as soon as possible.

Please circulate this notice to the people in your organization who need to know of this change so they can follow up as necessary with either 3M or your customers.

This discontinuation affects the following product numbers:

Discontinued SKUs	
SKU	Description
XH003825052	EC-1203 580 MM X 50 M

As a replacement, 3M suggests using 3M™ Electrically Conductive Single-Sided Tape 1050TC-25. However, you will need to determine whether the suggested replacement is suitable for your intended application.

Replacement SKUs	
SKU	Description
WX300953147	1050TC-25 500 MM X 100 M

If you have any questions or require samples for customer testing, please contact your local 3M representative.

We thank you for your continued collaboration with 3M.

Sincerely,

Tom Richardson
