

Product Description

3M™ Black Economy Floor Pad is a floor maintenance pad made of synthetic fibers in an open-textured non-woven construction. Abrasive particles are dispersed throughout and bonded with resin. Each floor pad has a pre-cut center hole.

Applications

This product is used with water-based floor finish stripping solutions to remove old, soiled floor finishes and sealers.

The product is also used to clean heavily soiled hard surface floors such as concrete when used with appropriate cleaning chemicals.

The product is intended for use on standard, low-speed automatic scrubbers and rotary floor machines. For use on finish-coated flooring such as sheet vinyl, vinyl tile, marble, terrazzo, or concrete.

Instructions for Use

Dust mop or sweep floors prior to scrubbing with stripping or cleaning solution and floor pad.

1. Install under the machine pad holder
2. Apply the stripping solution on the floor with a mop
3. Allow to stand for the amount of time following the stripping chemical instructions
4. Strip the floor with a floor machine, adding water to keep the floor wet during the process
5. Pick up the dirty solution, rinse the stripped floor with clear water and a clean mop, and let the floor dry before recoating or re-opening to traffic
6. Remove the pad and wash it

Floor pad maintenance

1. Remove the pad from the machine after each use
2. Wash and rinse under tap water or spray water, or keep pads soaked in diluted stripping solution to dissolve caked-on finish (avoid dirty pads from drying before washing).
3. Rinse and hang up to dry.

Note: Do not machine wash!

Product Characteristics

The values displayed are the results of illustrative lab test measures and shall not be considered as a commitment from 3M.

Color:	Black
Printing:	No
Thickness:	25 mm
Center hole:	Pre-cut at 85 mm
Fiber type:	Nylon and Polyester

Standard Sizes

Circular discs are available in a variety of common sizes.

Storage Conditions and Shelf Life

Storage conditions: +4°C to +40°C, out of sunlight, original container in a clean and dry indoor area.

Health and Safety

When handling any chemical products, read the manufacturer's container labels and the Safety Data Sheets (SDS) for important health, safety, and environmental information.

[Follow the link to obtain SDS sheets for 3M products on 3M.com/SDS.](https://www.3m.com/SDS)

IMPORTANT!

- When using any equipment, always follow the manufacturer's instructions for safe operation.
- This floor pad is for professional or industrial use only.

DANGER

To reduce the risks associated with inhalation of or exposure to contaminants:
DO NOT use this product on any asbestos-containing material.

WARNING

To reduce the risks associated with inhalation of or exposure to contaminants:

- Ensure this product is used in the recommended applications with the suggested equipment.
- Do not allow this product to be used by untrained operators.
- Always follow standard safety practices, including wearing appropriate protective apparel and eye protection, while using this product.

To reduce the risks associated with environmental contamination:

- Dispose of waste and slurries generated from wet polishing in accordance with all applicable local and government regulations.

CAUTION

The product is intended for wet floor maintenance processes only. DO NOT use this product in any dry application.

Warranty Information

Limited Remedy

This bulletin provides technical information only.

3M recommended product end uses are listed in each 3M product bulletin. End uses not listed in the applicable 3M Product Bulletins are typically not eligible for 3M Warranties. For non-recommended and/or non-warranted end uses or applications, users must test and approve the end uses or applications, assume any associated risks, and acknowledge that 3M has no liability for such end uses or applications. Please contact your 3M representative with any questions about applications, end uses, and warranties.

Limitations of liability

All questions of warranty and liability relating to this product are governed by the terms and conditions of the sale, subject, where applicable, to the prevailing law.
