3M™ Performance Pressure
HVLP Atomizing Heads

Offer valid March 1 – May 31, 2021.

Engineered for the industrial painter.

The 3M™ Performance Spray Gun is the industrial coating solution that can help reduce variability in your process and help boost productivity by giving technicians a smarter way to spray.

Lightweight and Durable

One of the lightest spray guns in the industry, the impact-resistant composite body is built to withstand demanding industrial environments.

Low Maintenance and Easy

Simple, intuitive design means fewer parts to maintain or rebuild and can help achieve more consistent performance whether you're a beginner or a pro.

Replaceable Nozzles

With quick-change replaceable atomizing heads ranging from 1.1 to 2.0, it's like getting a brand new spray gun with every new nozzle.

Built for Versatility

Sprays a wide range of coatings, including stains, primers, basecoats, topcoats, clearcoats, and adhesives – from either a pressure-fed system or with 3M™ PPS™ Series 2.0 Spray Cup System.

*Choose one head size.

**Can mix and match head sizes in full case quantities.

*** At no additional charge

The smarter way to spray.

The first ever spray gun designed specifically to deliver top-of-the-line performance with revolutionary replaceable nozzle technology. Experience faster cleanup, faster changeovers and faster cycle times.
