

3M DI-NOC™ Architectural
Finishes

Beautiful,
sustainable —
and easy to
clean and
disinfect.

VM-2036

Keeping your surfaces clean and properly disinfected is more important than ever. 3M™ DI-NOC™ Architectural Finishes have been tested with typical commercial cleaners and disinfectants that can destroy or suppress the growth of harmful microorganisms such as bacteria, viruses and fungi.

**Clean and disinfect with
no deterioration of the
surface finish.**

VM-1487

Find the right surface finish.

3M™ DI-NOC™ Architectural Finishes has versatile, durable, cleanable finishes for a wide range of facilities.

In health care facilities, 3M™ DI-NOC™ Architectural Finishes is ideal for use on cabinets in patient rooms, nurses' stations, front desks, doors, walls, columns; and any areas where design, durable function and cleanability are needed.

In commercial buildings, 3M™ DI-NOC™ Architectural Finishes durability and cleanability make it ideal for wrapping doors, walls, cabinets, front desks and other surfaces in high-traffic zones.

DW-1888MT

Easy to clean, maintain and repair.

3M™ DI-NOC™ Architectural Finishes versatility, easy maintenance, and durability against normal wear and tear keep your space looking fresh for the long term.

Routine removal of dirt requires only mild detergent; water; and a soft, nonabrasive cloth or sponge to help keep your space looking fresh.

Durable, nonporous surfaces are easy to maintain and won't be damaged by typical commercial disinfectants.

3M™ DI-NOC™ Architectural Finishes are much easier to repair than wood or veneer, and repairs are virtually invisible at normal viewing distances.

Easy on the budget.

Versatile 3M™ DI-NOC™ Architectural Finishes give you an easy, cost-efficient way to create new spaces or replace outdated finishes.

Don't delay your project — 3M™ DI-NOC™ Architectural Finishes helps you renovate or refresh your space even if budgets are tight.

3M™ DI-NOC™ Architectural Finishes let you update existing surfaces creating less landfill waste to help achieve your sustainability goals.

With a lower cost than many traditional materials like wood, marble and textiles, you can create an affordable yet high-end design.

Easy to incorporate in your space.

Keep your building beautiful without inconveniencing your guests — and without the disruption of traditional construction.

Avoid business disruptions when you create a new space or refresh an existing one with 3M™ DI-NOC™ Architectural Finishes — almost overnight.

Less downtime, noise and mess means minimal impact on the experience of employees, customers or tenants who use your space.

With over 1,000 patterns to choose from and the look of beautiful natural materials, design is limited only by your imagination.

Contact a 3M sales representative to learn how 3M™ DI-NOC™ Architectural Finishes can make your project easier now and your cleaning easier in the future.
