Upgrade Your Gear

Get better protection.

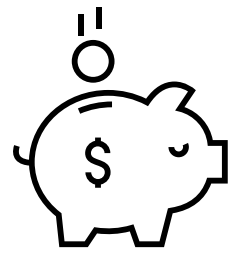

Get better savings.

Get free facepieces when you buy cartridges or filters on offer.

Avail free demo or trial to ensure you get the right product and fit.

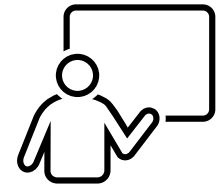

Why upgrade with 3M?

Cost savings

Pay only for cartridges and filters-exchange your existing facepieces for new 3M facepieces.

Flexibility

All 3M Reusable Respirators have range of face-piece style and size along with flexibility in cartridge and filter selections.

DOSH SIRIM compliant

From 1st June 2021 onwards, all 3M respirators will carry the DOSH-SIRIM label on packaging and the product itself.

Testing

Value added services such as fit-testing, training and maintenance programs.

3M reusable respirators help you face workplace hazards with comfort and ease

Upgrade Your Gear in Four Simple Steps

We will exchange your existing facepieces with new 3M facepieces, when you buy filters and cartridges. Here's how you can do it:

1

Register for Upgrade Your Gear offer.

2

Decide the number of facepieces you want to exchange and get the same number of 3M facepieces (>10).

3

Place order for filters and cartridges to match the facepiece.

Facepiece (Full-face & Half-face)	 6500 QL	 6000	 HF-800SD
Cartridges (Single, Dual, Combination)	<p>3 pairs</p>  — OR — 	<p>5 pairs</p>  — OR — 	<p>3 pairs</p>  — OR — 
Filters (Single & Dual)	<p>3 pairs</p>  — OR — 	<p>5 pairs</p>  — OR — 	<p>3 pairs</p>  — OR — 

4

Avail complimentary services such as product demonstration, fit-testing, training and maintenance program to ensure greater protection.

Other terms and conditions apply, contact your local 3M representative for more information.
