# The Electrical Tape

## For simple outdoor bundling and insulation

### 3M™ Temflex™ 175

General Use PVC Electrical Tape

3M™ Temflex™ tape 175 is a thicker and more durable general purpose electrical tape. This tape solution offers value and reliable performance for protective jacketing, harnessing and insulating low voltage cables.

#### Product Highlights:

- Better adhesion and stretch than Temflex™ tape 165 and thicker for more tough, demanding general use applications
- Suitable for moderate indoor and weather protected outdoor uses in a wider temperature range between -10°C and 90°C
- Provides a protective jacket for high-voltage cable splices and repairs
- Electrical insulation for wire and cable splices rated up to 600 volts
- Available in black only
- UL 510 Listed, IEC 60454-3-1-6/F-PVCP/90 and RoHS2015/863/EU Compliant

Medium Duty

Protective Jacketing

Durable Wire Bundling

Better Adhesion and Stretch
