

Xtract™
Clean Sanding Solutions

Go for performance. Leave the dust behind.

3M Xtract™ Cubitron™ II Net Disc 710W

The first high-performance sanding system from 3M.

Imagine a cleaner workspace, where sanding is virtually dust-free. With the new 3M Xtract™ Clean Sanding Solutions, performance and dust extraction don't compromise.

The 3M Xtract™ Cubitron™ II Net Disc 710W is our premium option for a variety of substrates. The net backing combined with 3M Precision-Shaped Grain technology produces a virtually dust-free sanding experience. With this net disc, you'll be able to finish more parts per disc with less dust in the environment, helping boost productivity without sacrificing dust extraction.

3M Xtract™ Cubitron™ II Net Disc 710W

Premium patterned product

- Innovative hole pattern
- Up to 97% dust extraction
- Industry-leading cut-rate
- Designed to require less pressure during sanding process

Revolutionary sanding technology.

3M Xtract™ Cubitron™ II Net Disc 710W is revolutionary, as it is the first net disc to be infused with 3M Precision-Shaped Grain. Its unique pattern and arrangement makes sanding virtually dust-free and helps deliver industry-leading cut-rates with a longer disc life.

Virtually dust-free sanding.

This net disc was engineered for optimal dust extraction on a variety of substrates. As you sand, any dust produced is easily pulled through the net disc and fitted back-up pad, continuously exiting through the vacuum exhaust.

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer: Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
