3M™ DI-NOC™ Architectural Finishes

A

Create stunning new spaces — or breathe new life into an existing space by repairing chipped, faded, or outdated surfaces of cash wraps, counters, walls, or doors. This can be done quickly, easily, and sustainably almost overnight with these architectural finishes. Over 1,000 patterns, textures, or colors to choose from. Minimize cost, waste, downtime and maintenance over replacements. Helps reduce landfill waste compared to traditional construction materials.

3M™ Graphic Films

Give your walls, windows, floors and more a new, engaging look with colored and printable graphic films. Your only limit is your imagination. Non-PVC film options available.

3M.com/Graphics

Add style to your space.

Capture the look of frosted, etched, cut, sandblasted and textured glass at a fraction of the cost. Choose from a variety of trend-setting patterns to create stunning visual effects on interior glass surfaces, as well as control light or conceal areas from the public. Create die-cut shapes to promote your brand.

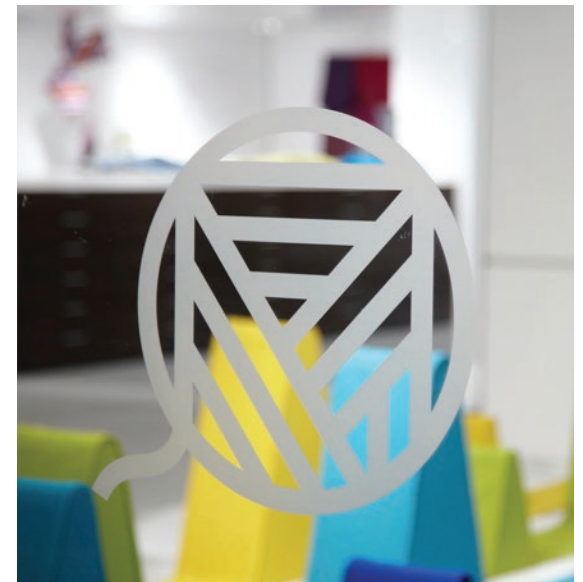

3M™ FASARA™ Glass Finishes

3M™ Glass Finishes can be easily applied to most new or existing glass surfaces. They require no extra hardware or setup—and no added maintenance or special cleaning. Also, as brand standards evolve, these decorative films can be removed and replaced.

3M™ Crystal Glass Finishes

Maintain a clean that reflects brightly on your brand.

Every surface of your store is an opportunity to make a lasting impression on your visitors. Our large selection of products help you present your brand in the best light so guests have the best experience.

3M™ Advanced Floor Care System

B

Maintain your high-gloss floor without the labor and expense of other floor finishes with this 3-part system. For VCT, LVCT, linoleum and rubber floors.

3M™ Floor Pads

B

Every 3M™ Floor Pad has been developed specifically to accomplish a particular floor maintenance task so you can achieve superior results in less time. From stone to concrete floors we can help your floors return to their original beauty so your store — and reputation — stays spotless.

*The Green Seal Environmental Innovation program recognizes products that significantly reduce environmental impact through product innovation. 3M™ Floor Pads are certified by Green Seal® for Environmental Innovation based on a design for significantly improved performance, durability, or both, extending the useful life of the floor pad and reducing solid waste generation. (3M™ and Scotch-Brite™ Brand Floor Pad families include: 7300, 7200, 5300, 3050, SPP Plus, SPP, Purple Diamond, and Clean & Shine. Niagara™ Brand floor pad families include: 7400N, 7200N, 5300N, and Deep Scrubbing Pad.)

3M™ Easy Trap™ Sweep & Dust Sheets

B

Trap up to 800% more dirt, dust and sand than fringed cotton dust mops and the professional version of a common dust cloth brand.

3M™ Chemical Management Solutions

B

Take the guesswork out of mixing chemicals. 3M™ Chemical Management helps minimize interaction with the chemicals and provides an accurate ready-to-use (RTU) solution.

3M™ Safety Walk™ Floor Matting

C

3M matting and traction solutions help protect your floors and help prevent slips, trips and falls without detracting from the look of your space. Certified by the National Floor Safety Institute (NFSI) as providing “High Traction.”

Scotchgard™ Surface Protection Film

C

Protection from daily wear and tear like constant cart and foot traffic and harmful drips and spills in checkout lanes. Thin, almost invisible film can easily be applied to surfaces in minutes.

Touch points that sparkle.

3M™ Easy Trap™ Sweep & Dust Sheets

D

These disposable dust sheets are designed flexible enough for high dusting, floor dusting and hand dusting. Sheets are made with at least 60% recycled content and housed in 100% recyclable packaging.

3M™ TB Quat Disinfectant Ready-To-Use Cleaner

D

Ready-to-use cleaner, deodorizer, disinfectant, virucide, tuberculocidal, mildewstat and fungicide. Clean, deodorize and disinfect in one step when used according to disinfection directions. **Kills SARS-CoV-2, which causes COVID-19 (SARS-Related Coronavirus 2) on hard, non-porous surfaces in just 60 seconds.** Disinfects hard, non-porous, inanimate environmental surfaces like floors, walls, metal and stainless steel surfaces, glazed porcelain, glazed ceramic tile, plastic surfaces.

Food service solutions.

Scotch-Brite™ Stainless Steel Hood Degreaser Wipes with Scotchgard™ Protector

E

A fast, convenient way to wipe away grease on stainless steel hoods, while leaving behind a layer of Scotchgard™ protection as you clean — making it easier to wipe off grease the next time.

Scotch-Brite™ Quick Clean Griddle Cleaning System

E

Clean even the dirtiest griddle in just 3 to 5 minutes, with the Scotch-Brite™ Quick Clean Griddle Cleaning System. No need to let the griddle cool down.

Scotch-Brite™ Low Scratch Scour Pad HEX Series

E

Unique power dot technology applied to three different scouring pads — to help you blast through tough baked-on or burnt-on soils faster and more effectively.

Scotch-Brite™ Quick Clean Griddle Cleaning System and Scotch-Brite™ Low Scratch Scour Pad HEX Series are certified by HACCP International as “Food Safe” and “Fit for Purpose” for cleaning in food processing, preparation and food handling facilities in the U.S.

Elevate your windows to a new level of performance.

3M™ Anti-Graffiti Window Films

F

Protect your windows so that signs of vandalism can be removed quickly, which can help you maintain your image. Film is easy to remove and replace — without the hassle of replacing your windows. Helps protect glass surfaces from all forms of graffiti, including scratches and gouges.

3M™ Sun Control Window Films

G

Designed to allow light in, these films can reduce heat, glare and provide increased fade protection for assets in front of the window offering guests a more comfortable experience. Your customers get a more comfortable environment, and you get increased energy savings.

3M™ Glass Cleaner & Protector

E

Leaves an invisible layer of Scotchgard™ protection on glass for easier cleaning after routine use. It reduces fogging on windows and mirrors with repeated use, leaving an attractive shine.

3M™ FASARA™ Glass Finishes

H

Provide enhanced privacy or conceal areas from the public without sacrificing natural light. The wide selection gives you a variety of ways to create stunning visual effects on interior glass surfaces.

3M™ Safety & Security Window Films

F

Help increase store security and keep your store safer from break-in attempts without unsightly bars on the windows. These tear-resistant films hold broken glass together to help add protection against smash and grab burglaries.
