

# 3M™ High Fluid Resistant Surgical Masks

## Commonly Asked Questions

**Question:**

Why do some masks smell?

**Answer:**

Many synthetic materials tend to pick up odors to which they are exposed. Face masks can pick up odors in any place they are stored, from the manufacturing facility to central supply in the healthcare facilities.

**Question:**

Do these products contain latex?

**Answer:**

No, 1835 and 1835FS 3M High Fluid Resistant Surgical Masks do not contain either natural rubber latex or dry natural rubber as components in the product.
