## Anja

### Food Safety Key Account Manager

I work in a technical sales role with products used to analyse food safety and the cleanliness of food and drink manufacturing environments.

I educate customers about the benefits of our products and how to use them correctly to ensure efficient quality assurance and food safety standards in their production.

**Qualification Needed**

Bachelor of Science Degree

*If a food company did not thoroughly clean their manufacturing lines between making different products, what might happen?*

*"I manage customers in remote parts of the world, including Greenland, Iceland, and the Faroe Islands."*

**Years of Experience**

14

**Managerial Team Size**

0

**Social Responsibility**

5

**Practical Skills**

20%

**Academic Skills**

80%
