Lucy

Trade Mark Paralegal

I help protect my company's brands and reputation by working with law firms, customs offices and police, globally, to stop the sale and manufacture of counterfeit 3M goods.

This helps protect our designs and technologies but, more importantly, consumers.

I also protect our brands by stopping the misuse and infringement of our trade marks.

Qualification Needed

Bachelor's Degree or Paralegal Qualification

What sort of laboratory tests might be carried out or what might you check to determine if a product is genuine or fake?
