

3M™ General Use Masking Tape 201+

The tough tape for everyday jobs.

When you need a higher level of general-purpose performance, reach for 3M™ General Use Masking Tape 201+. Intended for light- to medium-duty indoor use, this tape is ideal for wrapping electrical cords, air hoses and PVC pipes as well as masking and labeling. It provides instant stick to paper, metal, wood, plastic, glass and many other clean surfaces and resists lifting or curling for consistent reliability, then removes cleanly when the job is done.

Easy to apply

Low unwind force allows for rapid application and improved handling, while the hand-tearable crepe backing prevents shredding and splintering while allowing the tape to conform to a variety of surfaces.

Temperature resistant

Looking for a higher temperature than 101+? 201+ Withstands surface temperatures up to 200°F/93°C for 30 minutes.

One-piece removal

Crepe paper backing resists tearing and slivering when removed to minimize potential frustration and removes cleanly indoors for 24 hours.

Everyday toughness and versatility.

When you're looking for a cost-effective tape for everyday jobs, look no further than 3M™ General Use Masking Tape 201+. For more information on 3M Masking Solutions, contact your local 3M representative or call 1-800-362-3550 or visit 3M.com/masking.

Specifications

Total Thickness: 4.4 mil (0.11 mm)
Adhesion to Steel: 25 oz/in (2.7 N/cm)
Tensile Strength: 19 lb/in (33.3 N/cm)
Elongation at Break: 8%

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for proper evaluation (including, but not limited to, fitness for purpose and suitability of application), selection, and use of 3M products. Safety products should always be selected and used in accordance with all applicable regulations and standards (e.g., OSHA, ANSI, and others), after conducting a proper hazard assessment. Failure to properly evaluate, select, and use a 3M product may result in injury, sickness, death, and/or harm to property. Dispose of used atomizing heads, residual paint/coatings, used containers/materials, and PPS in accordance with local regulations.

Warranty, Limited Remedy, and Disclaimer: Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If the 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
