Packaging

3M™ Concrete Cleaner & Densifier Concentrate #36A

- 0.5-gallon bottle - four bottles per case

Each 0.5-gallon bottle yields 190 ready-to-use gallons. (Dilution ratio of 1:380.)

3M™ Concrete Cleaner & Densifier Bulk

- 1-gallon container - four containers per case

Each 1-gallon container yields 384 ready-to-use gallons. (Dilution ratio of 1:384)

General Use Directions

Autoscrubber or Mop & Bucket

Flush out the autoscrubber or reservoir with fresh water to remove any chemical residue.

3M™ Flow Control Chemical Management System Wall Mount Dispenser

Dispense 3M™ Concrete Cleaner & Densifier #36A with cold water into a mop bucket or directly into an auto scrubber, using the 3M™ Flow Control Chemical Management System Wall Mount Dispenser or the 3M™ Portable Flow Control Dispenser.

Bulk Dispensing

Dispense 3M™ Concrete Cleaner & Densifier Bulk at the proper dilution ratio after calculating the container volume of either a buddy jug, mop bucket, or autoscrubber. Use with cold water.

NOTE: Dilute 1 oz of chemicals from the bulk container with 3 gallons of cold water.

Use Instructions

1. Dust floors using a 3M™ Easy Trap™ Duster.
2. Properly position caution signs for wet floor conditions.
3. Mop the floor or scrub it using an auto scrubber or floor machine with a Scotch-Brite™ Diamond Floor Brush or other appropriate cleaning pad.
4. Pick up soiled solution with an autoscrubber, wet vacuum, or a tightly wrung mop.
5. No rinsing required.
6. Allow the floor to dry.

NOTE: Floors may be slippery when wet.

Product Description

3M™ Concrete Cleaner & Densifier provides excellent cleaning and improves the uncoated concrete floor's durability and shine. Improper use or dilution may decrease product performance and increase the risk of health effects.

Daily use may improve a floor's visual appearance including cleanliness, gloss, and distinctness of image (DOI), depending on floor type and condition. This product is designed to be used as part of the 3M™ Concrete Floor Polishing and Maintenance System in combination with the Scotch-Brite™ Diamond Floor Brush.

Special Features

- Works in tandem with the Scotch-Brite™ Diamond Floor Brush to maximize floor appearance.
- Effectively cleans uncoated concrete floors
- Strengthens the stone floor to allow for a better polish vs water

Applications

3M™ Concrete Cleaner & Densifier is designed for use on uncoated* concrete floors. It is also suitable for use on uncoated* calcium based stones including marble, travertine, limestone, and cement based terrazzo hard floor surfaces.

*Uncoated refers to floors without any crystallization or topical coatings such as acrylic, urethane, or epoxy based coatings. This system is usable on floors with a densifier or impregnator.

- Use with an auto scrubber, mop and bucket, or a flat mop.

Personal Protective Equipment (PPE) Recommendation:
Refer to SDS for specific PPE guidance.

Waste Disposal Method: Dispose of the contents and container in accordance with applicable local, regional, national, and international regulations.

NOTE: Refer to the products' safety data sheets for specific physical property, health hazard, first aid, and precautionary information.

- **42-7156-5** (Concentrate)
- **43-4120-2** (Ready-To-Use)

 **CAUTION**

Indicates a hazardous situation which, if not avoided, could result in serious injury or death

Health and Safety **CAUTION**

When handling any chemical products, read the manufacturers' container labels and the safety data sheets (SDS) for important health, safety, and environmental information. To obtain SDS for 3M products go to [3M.com/SDS](https://www.3m.com/SDS). To request SDS by mail, or in case of an urgent situation, call 1-800-364-3577 or 1-651-737-6501.

When using any equipment, always follow the manufacturer's instructions for safe operation.

Technical Information

The technical information, guidance, and other statements contained in this document or otherwise provided by 3M are based upon records, tests, or experience that 3M believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license under any 3M or third party intellectual property rights is granted or implied with this information. If you have questions about this Product, contact the **Customer Service Department at 1-800-626-8578**.

Product Selection and Use

Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment, reviewing all applicable regulations and standards, and reviewing the product label and use instructions. Failure to properly evaluate, select, and use a 3M product in

accordance with instructions or to meet all applicable safety regulations may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer

Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability

Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
