

Product Description

3M™ Nomad™ Terra 9100 is an unbacked entrance matting having a durable, flexible open mesh structure of vinyl ribs, featuring a continuous Z-patterned surface. The open mesh structure allows high amounts of dirt and debris to be retained from traffic and fall through the mat for easy cleaning.

3M™ Nomad™ Terra 9100 can be used in recessed mat wells or as an indoor and outdoor walk-off mat at building entrances for extreme traffic applications above 5,000 crossings per day. This entrance mat allows trolley traffic and is UV resistant.

Product Line

3M™ Nomad™ Terra 9100

- Pre-cut mats
 - 914 mm x 1.5 m
 - 914 mm x 6 m

Characteristics

The values displayed are the results of illustrative lab test measurements made according to the indicated external norm and shall not be considered a commitment from 3M.

Characteristics	Value
Material	Vinyl
Color	Grey and Black
Thickness	12 mm
Weight	8.5 kg/m ² +/- 0.5 kg/m ²
Dimensional stability	+/- 3%
Antistatic properties ASTM D149	1.2 kV
Flammability EN 13501	Cfl s2
Slip resistance DIN 51130	R10 / V10
Service temperature	-23°C to +65°C

Flammability

Flammability standards are different from country to country. Ask your local 3M contact for details, please.

Accessories

- 3M™ Mat Edging High Profile (black, grey)
- 3M™ Matting Adhesive

Disposal

Post-consumer waste can be disposed of in appropriate containers or/and be incinerated.

The European directive waste disposal code is 20-01-39 for plastic material. Refer to your local waste handling procedure for potential recycling.

Country of Origin

Made in USA

ISO 9001 certified manufacturing plant

Health and Safety

When handling any chemical products, read the manufacturer's container labels and the Safety Data Sheets (SDS) for important health, safety, and environmental information.

[Follow the link to obtain SDS sheets for 3M products on 3M.com/SDS.](#)

[Follow the link to obtain information about substances of very high concern \(SVHC\).](#)

IMPORTANT! When using any equipment, always follow the manufacturer's instructions for safe operation.

Limited Remedy

Unsuitable End Uses

This bulletin provides technical information only.

3M recommended product end uses are listed in each 3M product bulletin. End uses not listed in the applicable 3M Product Bulletins are typically not eligible for 3M Warranties. For non-recommended and/or non-warranted end uses or applications, users must test and approve the end uses or applications, assume any associated risks, and acknowledge that 3M has no liability for such end uses or applications. Please contact your 3M representative with any questions about applications, end uses, and warranties.

Limitations of liability

All questions of warranty and liability relating to this product are governed by the terms and conditions of the sale, subject, where applicable, to the prevailing law.

3M and Nomad are trademarks of 3M. All other trademarks are the property of their respective owners. The use of trademark signs and brand names in this bulletin is based upon US standards. These standards may vary from country to country outside the USA.
