

## Product Description

Scotch-Brite™ White Floor Pad is a premium quality floor maintenance pad, made of high quality synthetic fibres, in an open textured non-woven construction. Polishing particles are dispersed throughout the thickness and bonded with a durable adhesive.

Each floor pad has a pre-cut centre hole.

## Characteristics

These are typical values for unprocessed product.

Characteristics	Value
Material	Polyester fibers
Colour	White
Marking	Black Scotch-Brite™ logo
Thickness	28 mm
Center hole	Pre-cut at 85 mm
Weight	1200 g/m <sup>2</sup>
Web aggressiveness	Schiefer value: 0 g 3M value: 0 g
Performance	Dry polishing
Durability	25,000 sqm at 150 RPM in standard use with appropriate maintenance

## Applications

Use Scotch-Brite™ White Floor Pad for dry polishing of protected or non-protected floors under standard speed rotary floor machines.

It can also be used for light spray cleaning on fragile surfaces such as glazed ceramic.

## Directions for Use

- Install a clean floor pad under the machine pad holder
- Dust mop the area
- Dry buff a section of floor in 2 passes
- Move backwards to next section
- Dust mop entire floor area
- Remove pad and wash after use

Note: floors must be clean, free of soil and in dry condition prior to dry buffing.

## Maintenance and Cleaning

- Remove floor pad from machine after each use and shake dust out of pad
- Rinse wash under tap water (or machine wash every 5 uses)
- Hang up for drying. Do not use wet!

Note: machine washed floor pads will shrink about 20 mm after first washing cycle. Recommended washing-machine temperature is 40°C.

## Country of Origin

Made in Thailand in an ISO 9001: 2015 and ISO 14001: 2015 certified plant

## Health and Safety

When handling any chemical products, read the manufacturer's container labels and the Safety Data Sheets (SDS) for important health, safety and environmental information.

[Follow the link to obtain SDS sheets for 3M products on 3M.com/SDS.](#)

[Follow the link to obtain information about substances of very high concern \(SVHC\).](#)

IMPORTANT! When using any equipment, always follow the manufacturer's instructions for safe operation.

## Warranty Information

### Limited Remedy

This bulletin provides technical information only.

3M recommended product end uses are listed in each 3M product bulletin. End uses not listed in the applicable 3M Product Bulletins are typically not eligible for 3M Warranties. For non-recommended and/or non-warranted end uses or applications, users must test and approve the end uses or applications, assume any associated risks, and acknowledge that 3M has no liability for such end uses or applications. Please contact your 3M representative with any questions about applications, end uses, and warranties.

### Limitations of liability

All questions of warranty and liability relating to this product are governed by the terms and conditions of the sale, subject, where applicable, to the prevailing law.
