

Introducing 3M™ RepairStack™ Performance Solutions

Focus on the future of your business; streamline your day-to-day operations; and help maximize your shop's profitability, performance, and efficiency with the 3M™ RepairStack™ suite of tools for your business.

Grow your business with a new performance tool from 3M

As an integrated and automated hardware and software inventory management platform, the tool combines three powerful body shop functions in one complete system.

3M™ RepairStack™ Inventory Management

Helps keep your body shop well-organized

- Track usage of 3M and non-3M products
- Automatically reorder supplies
- Stock all necessary materials to improve touch and cycle time

3M™ RepairStack™ Billables Invoicing (formerly CRiMP)

Designed to help get paid for 3M and non-3M materials

- Bill for materials you never knew were recoverable
- Integrate with leading body shop management systems
- Streamline blueprinting and billing processes

3M™ RepairStack™ Performance Analytics Tool

Get valuable insights and help increase profits

- Integrate with leading body shop management systems
- Analyze your business performance
- Monitor KPIs in real-time to identify areas for profitability

The new industry standard is here

Harness the power of digital transformation and take your body shop into the future. Switch to 3M™ RepairStack™ and potentially recover over \$1,000 per month in repair materials.*

"We have seen shops that use 3M™ RepairStack™ go from losing money to becoming a profit center, allowing them ... to reinvest in their business."

Mike Anderson, President and Owner of Collision Advice Group

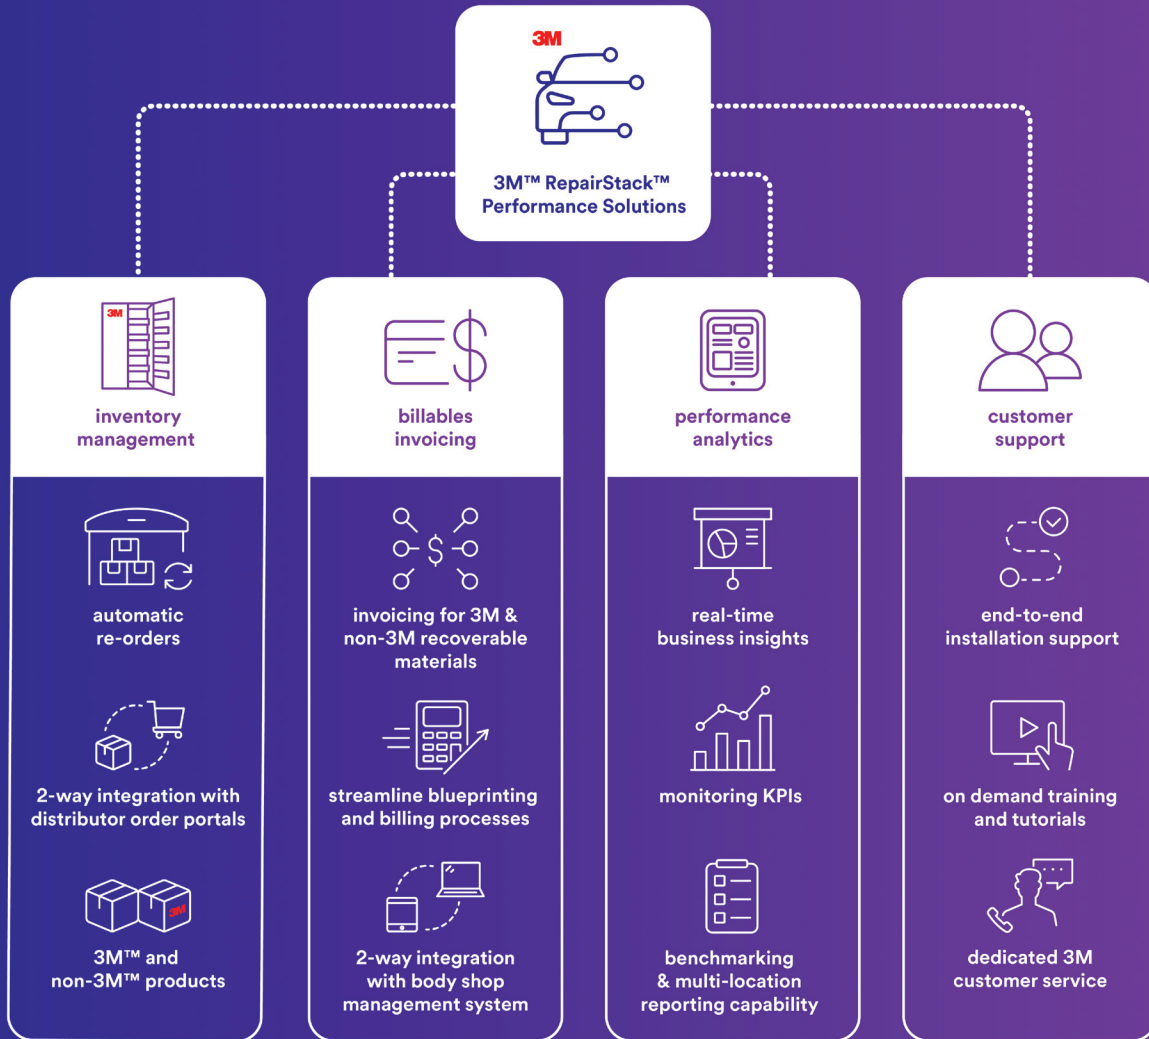

*Based on a review of the top 10% of body shops that used the 3M™ RepairStack™ Billables Invoicing software for at least 60 days between Oct. 1, 2021 – Jun. 30, 2022

Fully customizable and integrated solution

Available separately or as a total hardware and software system, 3M™ RepairStack™ offers multiple convenient customization and invoicing options to help you easily incorporate it into your body shop.

Engineered with body shop profitability in mind

Take advantage of the many benefits of the new system, including integrated invoicing, simplified order planning and delivery, performance analysis, and become a leader in the collision repair industry.

Keep track to be on track.

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product in accordance with all applicable instructions and with appropriate safety equipment, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer: Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement or repair of the 3M product or refund of the purchase price. Warranty claims must be made within one (1) year from the date of 3M's shipment.

Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by applicable law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
