

Simplified floor care. Long-lasting impact.

Only 3 steps

Accomplish typical 5-step floor care maintenance in as little as 3 steps.

Save time

Reduce maintenance with less chemical stripping and less or no burnishing, saving time and labor while minimizing disruption.

Reduce costs

Experience a lower total cost of ownership with fewer processes, less equipment and less product.

Hand sanitizer resistance

Resist scratches and marks and even protect against degradation caused by hand sanitizer when using Scotchgard™ Protect & Shine Floor Protector.

3M™ Advanced Floor Care System

An increased shine with less effort and time is possible. See for yourself by scheduling a demo at [3M.com/floorcare](https://www.3m.com/floorcare).
