

IdentiFire™ Facepiece Nameplate

Question

What is the IdentiFire™ Facepiece Nameplate?

Answer

The IdentiFire™ Facepiece Nameplate is a SCBA accessory intended to help improve firefighter accountability on the fireground. The nameplate combines a proprietary photoluminescent material with 3M™ Scotchlite™ Reflective Material to provide firefighters the ability to customize their facepiece with a unique identifier (e.g., last name, unit ID, etc.) that can easily be seen, on scene.

Question

What is the relationship between IdentiFire™ and 3M™ Scott™ Fire & Safety?

Answer

IdentiFire™ has entered an exclusive relationship with 3M™ Scott™ Fire & Safety to offer its industry-leading facepiece identification nameplate for use as an accessory on the 3M™ Scott™ AV-3000 HT Facepiece and 3M™ Scott™ Vision C5 Facepiece.

The IdentiFire™ Facepiece Nameplate is the first and only accessory of its kind to be certified to applicable NFPA standards.

Question

Are there specific IdentiFire™ products that are included under this arrangement?

Answer

IdentiFire™ offers a suite of high-visibility products designed to integrate with various firefighting equipment, including SCBA, helmets, and radio straps. Under the arrangement with 3M™ Scott™ Fire & Safety, the IdentiFire™ Facepiece Nameplate (with silver reflective) has been certified to NFPA 1981 and NFPA 1970 as an accessory to the 3M™ Scott™ Air-Pak™ SCBA when used in accordance with the User Instructions.

Question

Is the IdentiFire™ Facepiece Nameplate certified to applicable NFPA standards as an accessory to the SCBA?

Answer

Yes, the IdentiFire™ Facepiece Nameplate is certified to NFPA 1981 and NFPA 1970 as an accessory to the 3M™ Scott™ Air-Pak™ SCBA (varying models).

Question

Are there specific SCBA models that the IdentiFire™ Facepiece Nameplate is certified for use with?

Answer

Yes, the IdentiFire™ Facepiece Nameplate is certified for use with specific 3M™ Scott™ SCBA models, as shown below:

SCBA Model	NFPA 1970 Standard
3M™ Scott™ Air-Pak™ XD SCBA	2025 Edition
3M™ Scott™ Air-Pak™ X3 Pro SCBA	2025 Edition

SCBA Model	NFPA 1981 Standard
3M™ Scott™ Air-Pak™ XD SCBA	2018 Edition
3M™ Scott™ Air-Pak™ X3 Pro SCBA	2018 Edition
3M™ Scott™ Air-Pak™ X3 Pro SCBA	2013 Edition
3M™ Scott™ Air-Pak™ X3 SCBA	2013 Edition
3M™ Scott™ Air-Pak™ 75 SCBA	2013 Edition
3M™ Scott™ Air-Pak™ Wireframe SCBA	2013 Edition
3M™ Scott™ Air-Pak™ 75 SCBA	2007 Edition
3M™ Scott™ Air-Pak™ Wireframe SCBA	2007 Edition

SCBA Model	NFPA 1986 Standard
3M™ Scott™ X3-21 Pro SCBA	2017 Edition

Question

Is the IdentiFire™ Facepiece Nameplate certified for use on all 3M™ Scott™ facepieces?

Answer

No, the IdentiFire™ Facepiece Nameplate is only certified for use on the 3M™ Scott™ AV-3000 HT Facepiece and 3M™ Scott™ Vision C5 Facepiece.

Question

Where can I find the supporting documentation for NIOSH CBRN approval of the IdentiFire™ Facepiece Nameplate?

Answer

A list of available NIOSH CBRN approval labels for the 3M™ Scott™ SCBA can be found [here](#).

NIOSH CBRN approval is a requirement for certification of the SCBA to both the NFPA 1981 and NFPA 1970 standards.

The part number certified under the NFPA 1981 and NFPA 1970 standards for the 3M™ Scott™ AV-3000 HT Facepiece and 3M™ Scott™ Vision C5 Facepiece is 201835-XX.

Question

Are there other IdentiFire™ products that are tested and certified to applicable NFPA standards?

Answer

While all IdentiFire™ products are designed with the highest quality to meet the rigors of the fireground, only the IdentiFire™ Facepiece Nameplate has been tested and certified to NFPA 1981 and NFPA 1970 as an accessory to the 3M™ Scott™ Air-Pak™ SCBA.

Question

How do I place an order for the IdentiFire™ Facepiece Nameplate?

Answer

All IdentiFire™ products, including the IdentiFire™ Facepiece Nameplate for the 3M™ Scott™ AV-3000 HT Facepiece and 3M™ Scott™ Vision C5 Facepiece, may be purchased [direct](#) from IdentiFire™ or through an [authorized distributor network](#).

Question

Are there specific part numbers available for ordering the IdentiFire™ Facepiece Nameplate?

Answer

For ordering the IdentiFire™ Facepiece Nameplate, please use the following IdentiFire™ part numbers:

- IDM-01 (for 3M™ Scott™ AV-3000 HT Facepiece)
- IDM-12 (for 3M™ Scott™ Vision C5 Facepiece)

Note: The part number certified to the NFPA 1981 and NFPA 1970 standards standard for the 3M™ Scott™ AV-3000 HT Facepiece and 3M™ Scott™ Vision C5 Facepiece is 201835-XX.

Question

Is there a character limit to the personalization of the IdentiFire™ Facepiece Nameplate?

Answer

No, there is not a set limit to the number of characters that can be used on the IdentiFire™ Facepiece Nameplate. However, please be aware the more characters requested, the narrower the font will be, in order to fit the identifier into the available space.

Question

If I previously purchased an IdentiFire™ Facepiece Nameplate (with silver reflective) to use with my 3M™ Scott™ Air-Pak™ SCBA, do I need to purchase a new nameplate or does my current nameplate meet the NFPA 1981 certification requirements?

Answer

If you purchased and received your IdentiFire™ Facepiece Nameplate on or after April 26, 2017, your product meets the applicable NFPA certification requirements as an approved accessory to the 3M™ Scott™ Air-Pak™ SCBA, provided you are using one of the following SCBA and facepiece models:

SCBA Model	NFPA 1981 Standard	AV-3000 HT Facepiece	Vision C5 Facepiece
3M™ Scott™ Air-Pak™ XD SCBA	2018 Edition	•	•
3M™ Scott™ Air-Pak™ X3 Pro SCBA	2018 Edition	•	•
3M™ Scott™ Air-Pak™ X3 Pro SCBA	2013 Edition	•	•
3M™ Scott™ Air-Pak™ X3 SCBA	2013 Edition	•	•
3M™ Scott™ Air-Pak™ 75 SCBA	2013 Edition	•	•
3M™ Scott™ Air-Pak™ Wireframe SCBA	2013 Edition	•	•
3M™ Scott™ Air-Pak™ 75 SCBA	2007 Edition	•	•
3M™ Scott™ Air-Pak™ Wireframe SCBA	2007 Edition	•	•

Question

If I previously purchased a color other than the silver reflective, do I need to replace my IdentiFire™ Facepiece Nameplate?

Answer

No, you do not need to replace your IdentiFire™ Facepiece Nameplate. However, it is important to understand only the nameplate with silver reflective is certified to the applicable NFPA standards as an accessory for use with the 3M™ Scott™ Air-Pak™ SCBA. Use of a nameplate with a color other than silver reflective will impact the approvals of the SCBA.

Question

Can I continue to purchase the IdentiFire™ Facepiece Nameplate for SCBA facepiece models other than 3M Scott?

Answer

Yes. 3M™ Scott™ Fire & Safety recognizes the importance of firefighter safety/accountability and has worked with IdentiFire™ to ensure they can continue to provide the IdentiFire™ Facepiece Nameplate to all SCBA users.

However, when the IdentiFire™ Facepiece Nameplate is used with makes and models of SCBA and facepieces other than those mentioned herein, it may cause a violation of federal regulations. Please consult with your respirator manufacturer for written confirmation.

For customers interested in other high-visibility product options to integrate into their firefighting equipment, please visit <https://identifiresafety.com/>.

Question

Are there installation instructions available for the IdentiFire™ Facepiece Nameplate?

Answer

Yes, installation instructions are available for the IdentiFire™ Facepiece Nameplate by clicking the [link](#). Alternately, you can scan the QR code below. The QR code is included with every IdentiFire™ Facepiece Nameplate shipment.

Question

Does the IdentiFire™ Facepiece Nameplate restrict the user's field of view?

Answer

When properly installed on the facepiece, per the published [installation instructions](#), the IdentiFire™ Facepiece Nameplate should not restrict the user's field of view.

Question

What is the "heat rating" of the IdentiFire™ Facepiece Nameplate when used with the 3M™ Scott™ AV-3000 HT Facepiece or 3M™ Scott™ Vision C5 Facepiece?

Answer

The IdentiFire™ Facepiece Nameplate has been evaluated and tested by Intertek Test Lab for certification by the Safety Equipment Institute (SEI) to the NFPA performance requirements for Self-Contained Breathing Apparatus (SCBA).

The test protocol that the facepiece (with nameplate attached) was subjected to and successfully passed is published in section 18.11 "Heat and Flame Resistance Performance" of NFPA 1970 [2025], NFPA 1981 (SCBA) -- current edition as of the date of this publication.
