

3M Application Profile: Wire Attaching & Bundling

Headliners in automotive and specialty vehicle contain wire harnesses that need to be securely held by a robust tape such as 3M™ Aluminum Foil Tape 437.

Application Description:

Tape permanently wraps wires and/or holds them in place to prevent movement. Additionally, it can help provide a shield against heat sources or help minimize noisy rattles.

Application Benefit:

- Holds and attaches wires long term to the desired location while protecting wires from damage

Key Application Requirements:

- Aggressively adhere to a variety of surfaces (plastics, metals, etc) as well as to its own backside for overwrapping
- Provide good temperature resistance

Delicate wires wrapped and protected from heating element in appliances using 3M™ High Temperature Aluminum Foil/Glass Cloth Tape 363.

Engineered Industrial Tapes

For Aerospace, Appliance,
Automotive and General Industrial

Tape Benefits:

Conformability: Ability to curve around complex shapes, geometries and non-uniform surfaces

Increased throughput: Does not require additional resources to install, unlike mechanical fasteners

Easy to apply/Immediate use: Does not require waiting for glue setting before processing and can be applied manually or with tabletop dispenser

Products	
3M™ High Temperature Aluminum Foil Tape 433	
3M™ Glass Cloth Tape 361	
3M™ High Temperature Aluminum Foil/Glass Cloth Tape 363	
3M™ Aluminum Foil Tape 437	
3M™ Aluminum Foil Tape 431	
Additional Applications	
Appliance	Wire bundle protection in dishwashers, ovens and clothes dryers
Aerospace	Wire bundling and holding

Technical Information: The technical information, guidance, and other statements contained in this document or otherwise provided by 3M are based upon records, tests, or experience that 3M believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license under any 3M or third party intellectual property rights is granted or implied with this information.

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product in accordance with all applicable instructions and with appropriate safety equipment, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer: Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement or repair of the 3M product or refund of the purchase price. Warranty claims must be made within one (1) year from the date of 3M's shipment.

Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by applicable law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.

Disclaimer: 3M industrial and occupational products are intended, labeled, and packaged for sale to trained industrial and occupational customers for workplace use. Unless specifically stated otherwise on the applicable product packaging or literature, these products are not intended, labeled, or packaged for sale to or use by consumers (e.g., for home, personal, primary or secondary school, recreational/sporting, or other uses not described in the applicable product packaging or literature), and must be selected and used in compliance with applicable health and safety regulations and standards (e.g., U.S. OSHA, ANSI), as well as all product literature, user instructions, warnings, and other limitations, and the user must take any action required under any recall, field action or other product use notice. Misuse of 3M industrial and occupational products may result in injury, sickness, death, or property damage. For help with product selection and use, consult your on-site safety professional, industrial hygienist, or other subject matter expert. For additional product information, visit www.3M.com[1].
