

Training Videos: 3M™ Secure Click™ Full Facepiece Reusable Respirator FF-800 Series

Description

The 3M™ Secure Click™ Full Facepiece Reusable Respirator FF-800 Series helps protect against particulates and/or a wide variety of gases and vapors when used with approved 3M Secure Click filters and cartridges. This facepiece comes with many innovative features that make it 3M's next generation in comfort, breathability and simplicity.

These videos are available to help train and educate employees on how to correctly put on and use FF-800 Series Reusable Respirators:
