

Product Description

3M™ Red Economy Floor Pad is a floor maintenance pad made of synthetic fiber in an open-textured non-woven construction.

Polishing particles are dispersed throughout and bonded with resin.

Each floor pad has a pre-cut center hole.

Applications

3M™ Red Economy Floor Pad is designed for daily maintenance operations under a scrubber dryer or spray cleaning / spray buffing under a swing machine. 3M™ Red Economy Floor Pad collects soil and effectively removes marks from floors.

3M™ Red Economy Floor Pad can be used for fast polishing action on floors.

Standard Size

Circular discs are available in a variety of common sizes.

Packaging and Marking

Each carton shall be labeled to identify the contents by product name, size, quantity, and manufacturer.

Characteristics

The values displayed are the results of illustrative lab test measures and shall not be considered as a commitment from 3M.

Characteristics	Value
Fiber type	Polyester
Thickness	Approximately 25 mm
Color	Red
Marking	None

Directions for Use

Daily cleaning under the scrubber dryer

- Install a clean floor pad under the machine pad holder
- Make as many passes as needed on the entire surface
- Remove the pad and wash after use

Spray cleaning

- Install a clean floor pad under the machine pad holder
- Dust mop the entire floor area if necessary (not mandatory)
- Spray a cleaning chemical moderately on a section of the floor
- Buff the area dry using 4 – 6 passes
- Proceed to the next section of the floor
- Dust mop the entire floor area if necessary (not mandatory)

Maintenance and Cleaning

- Remove the pad from the floor machine after each use
- Scrub with a nylon brush under tap water, or spray hose both sides, or machine wash
- Hang the pad up to dry

Note: Machine-washed floor pads will shrink approximately 20 mm after the first washing cycle. Recommended washing-machine temperature is 40°C (higher temperatures will decrease the life of the pad). Remove and wash after use.

Storage

Storage conditions: +4°C to +40°C, out of sunlight, original container in a clean and dry indoor area.

Health and Safety

When handling any chemical products, read the manufacturer's container labels and the Safety Data Sheets (SDS) for important health, safety, and environmental information.

[Follow the link to obtain SDS sheets for 3M products on 3M.com/SDS.](https://www.3m.com/SDS)

[Follow the link to obtain information about substances of very high concern \(SVHC\).](#)

IMPORTANT!

- When using any equipment, always follow the manufacturer's instructions for safe operation.
- This floor pad is for professional or industrial use only.

DANGER

To reduce the risks associated with inhalation of or exposure to contaminants:
DO NOT use this product on any asbestos-containing material.

WARNING

To reduce the risks associated with inhalation of or exposure to contaminants:

- Ensure this product is used in the recommended applications with the suggested equipment.
- Do not allow this product to be used by untrained operators.
- Always follow standard safety practices, including wearing appropriate protective apparel and eye protection, while using this product.

To reduce the risks associated with environmental contamination:

- Dispose of waste and slurries generated from wet polishing in accordance with all applicable local and government regulations.

Warranty Information

Limited Remedy

This bulletin provides technical information only.

3M recommended product end uses are listed in each 3M product bulletin. End uses not listed in the applicable 3M Product Bulletins are typically not eligible for 3M Warranties. For non-recommended and/or non-warranted end uses or applications, users must test and approve the end uses or applications, assume any associated risks, and acknowledge that 3M has no liability for such end uses or applications. Please contact your 3M representative with any questions about applications, end uses, and warranties.

Limitations of liability

All questions of warranty and liability relating to this product are governed by the terms and conditions of the sale, subject, where applicable, to the prevailing law.
