

We've got your back to school.

Day 1

Create a Homework Station

Create a homework station to store materials for school projects. A small cart with wheels or even a small box that's easy to carry works well! Stock it full of supplies like Post-it® Notes and Scotch® Brand Tape.

The station can be moved from room to room, but designate an area like the kitchen or your office to be home base.

Day 2

Label of Love

Label books, water bottles, lunchboxes and supplies that make going to school special and unique to you! Using Scotch® Magic™ Tape, write directly on the tape to label your items.

Day 3

Vision Board Your Back-to-School Goals

Create your own back-to-school vision board using Post-it® Super Sticky Notes to make a comprehensive list of what you want to achieve this school year. Hang visual elements using Scotch® Wall Safe Tape to highlight what you want to achieve. Write down the most important goals and devote one section of your board to each of them.

Day 4

Take your Post-it® Notes on the go with the Post-it® App!

Create digital Post-it® Notes! Download the Post-it® App to take back-to-school studying to the next level. The Post-it® App is a perfect for busy parents and students who want to track reminders at home and on the go.

Day 5

"Sundae Funday"

Get an ice cream or special treat with the family and chat through hopes and dreams for the school year (write on a Post-it® Note and put on your mirror or door to serve as a daily reminder.)

Day 6

Kindness Post-it® Notes

Using Post-it® Notes, write positive messages that the whole family can use throughout the school year! ("I love you", "You're doing a great job", "Good luck!", "You've got this!", "Thank you for making me feel special", "You're special to me!", "You make me smile", etc).

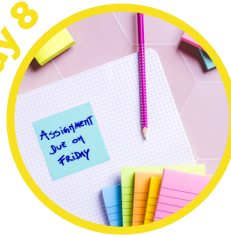

Day 7

First Day Photo Shoot

Capture this milestone and create your own back-to-school photo decor. This could look like a frame, pennant or even a full door poster! Try Scotch® Magic™ Tape and Scotch® Double-Sided Tape to add personalized items. Reach for the stars and let your creativity flow. Check out Scotchbrand.com/BacktoSchool for a free printable.

Day 8

Back-to-School Time Capsule

What are you looking forward to this year? Write it down on Post-it® Notes and place in an empty shoe box or mason jar. Don't open your time capsule until the end of the school year to see how you manifested wishes and goals!

Day 9

Second Semester Refresh

- Take inventory of your supplies!
1. Replace dry markers, broken pencils & pens
 2. Load up on craft supplies for projects that come in last minute.
 3. Check the wear-and-tear on backpacks, water bottles, pencil pouches and lunchboxes.
 4. Stock up on Scotch® Brand Tape for hanging artwork, repairing torn pages and sealing important envelopes.
 5. Stock up on Post-it® Notes and explore new colors to welcome the new season ahead.

Day 10

"Back to Snooze"

To start easing into a school sleep schedule, start small! Go to bed 15 minutes earlier each night and wake up 15 minutes earlier each morning until you are at your target sleep and wake schedule. Set reminders and track your progress on Post-it® Notes!

Day 11

Create a "Summer Scrapbook"

Create a "Summer Scrapbook" to capture all the special moments. Secure pictures, tickets, and postcards with Scotch® Double-Sided Tape. Use Post-it® Notes to write down fun memories and document all the places you've been and things you've seen.

Day 12

Stock the Backpack

Shop at home first! Take inventory of supplies you already have and use Post-it® Super Sticky Notes to get organized, putting still-usable items in a container, and throwing out or recycling the rest. Once you know what you have, you can shop for what you need from your exact school supply list found on TeacherLists.

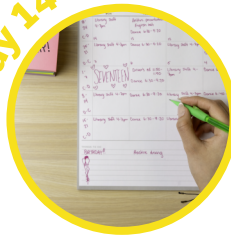

Day 13

Table Talk

Find an empty jar or container to decorate, use Scotch® Double-Sided Tape to attach a decorative paper to the jar. Then, have everyone write down meaningful questions on Post-it® Notes and draw questions from the jar around the table at dinner.

Day 14

Readiness Reminder

Add a reminder on your calendar (or on Post-it® Notes) to ensure a smooth start to the school year by remembering to check for school notifications, deadlines, and to-dos.

Day 15

Visualize it!

Use visual cues to help manage school needs and build independence. Use Post-it® Notes to write reminders that can be strategically placed so they are easily seen; incorporate pictures and other visual cues with Scotch® Wall-Safe Tape that prompt self-help.
