

# Product Discontinuance: 3M™ D-Sub Connectors, 8000 Series Closed Cover Option

**Date: November 18, 2003**

**Issue Number: 513**

**To:**

**3M Electronic Solutions Division Global Copy List  
3M Electronic Solutions Division Authorized Distributors  
3M Electronic Solutions Division Customers**

## Product

This notice is to inform you of 3M's discontinuation of the closed cover options on the D-Sub Connectors, 8000 Series (TS0234, TS0035, TS0235 and TS0034) effective December 19, 2003. This action is due to low sales volume.

3M will continue to offer the open cover options on the D-Sub Connectors, 8000 Series product line. Please refer to the attached chart to find the appropriate open cover substitution for the closed cover products.

<b>Closed Cover</b>	<b>Open Cover</b>
82xx-700x	82xx-600x
82xx-900x	82xx-800x
83xx-700x	83xx-600x
83xx-900x	83xx-800x

We will allow last time buy orders up to December 19, 2003, for these products.

## Actions Required

- Please notify customers of this discontinuance and assist with transition to D-Sub Connectors, 8000 Series where appropriate.
- Distribution may return discontinued products in original standard packages at currently published distributor prices.
- We have limited inventory of this product, but we may receive excess product from distribution due to this announcement. All last time buy orders must be received by December 19, 2003, and scheduled for immediate delivery.

## **Closed Cover Option**

### **Returning Discontinued Product**

- Requests for return must be submitted in writing to the distributor's appropriate customer account analyst by December 19, 2003.
- Requests will be reviewed and the distributor notified of a RMA number and the 3M location where the product should be returned.

Please direct correspondence on this matter to:
